Hull Color: White

Hull Finish: Plastic

Engine Information

Engines: 2

Manufacturer: Volvo Penta

Model: 5.7GXi

Engine Type: Inboard

Fuel Type: Gas

DETAILED INFORMATION

Vessel Walkthrough and Full specs

This is the absolute nicest, most well equipped 360 Carver Mariner you will find. She has been kept on the lakes in upstate New York since new up until October 2017 when the owners decided to spend a winter season in Florida and was just trucked down here to Florida in November by her owners.

With only 325 hours of Fresh Water Use only on the engines and ONLY 25 hours use on the generator, the boat shows as new inside and out. She is equipped with a 12' Zodiac and Outboard with a special Davit system off the swim platform and a custom Outboard mount.

The interior of this model is cavernous for a 36' boat and a large flybridge and bridgedeck make an excellent outside entertaining area as well. A long time popular model for Carver, the 360 Mariner interior offers one level Motoryacht space and amenities usually found only in much larger boats,

Great boat for cruising or to use as a weekend Condo on the water or a year round Florida liveaboard.

Powerboat Guide Review

"An updated version of Carver's original 36 Mariner built back in the 1980s, the 36 Mariner (called the 350 Mariner in 2004) combines the spacious single-level interior of her predecessor with improved styling and a surprisingly good turn of speed. By any standard, this is a big 36-footer with the ability to entertain a small crowd without being crowded. Her full-beam salon features a posh Ultraleather lounge and dinette, high-gloss cherry woodwork and a full entertainment center with TV and stereo CD. The extra-large head includes a separate stall shower, and the galley has plenty of storage and counter space. Topside, flanking stairways lead from the cockpit to the enormous bridge where port and starboard lounges and an aft bench seat can seat up to ten guests. Twin transom lockers house fenders and lines, keeping the small cockpit clear of miscellaneous clutter. Air conditioning, generator, flybridge wet bar, swim ladder and transom shower were all standard. A wide beam and modest transom deadrise make the Mariner a notably stable boat, but a stiff ride when the seas pick up." Vessel Walkthrough

As you enter the spacious one level salon from the Cockpit to starboard is a convertible dinette/lounge/ Across to port is an L-shape Sofa. forward to starboard is the galley with full size refrigerator, stove, microwave, sink, great storage. Across to port is a large enclosed head with toilet, vanity and stall shower and the Master stateroom is forward with Queen Berth and fantastic hanging locker/drawer storage.
