SPECIFICATIONS

Overview

SPIRIT OF THE C's is a 112-foot (34.2m) luxury Tecnomar motor yacht offering a unique luxurious art deco styled interior. This high-speed performance open yacht is capable of reaching a speed of 30 knots.

The yacht's striking exterior was designed by Luca Dini and boasts a unique colour scheme, which complements the yacht's sleek lines. During the winter of 2018 the yacht benefitted from a full exterior re-spray as a part of a full yard period. The exterior spaces onboard are extremely spacious with a foredeck sunbathing area and a spacious open aft deck; both of which are fitted with a Bose music system. The interior of SPIRIT OF THE C's is unique and has been finished with Moroccan & African influences. Complementing the interior volume is the luxurious finish in fine woods & Carrara marble. The main salon features a large sliding roof, which opens up the forward seating area; ideal for sheltered alfresco dining. With antique Baton Rouge 1920's furniture and Persian silk carpets, very few yachts in this range can compare with respect to interior finish and quality. The interior has also benefitted from an AV upgrade.

The yacht just underwent full main engines revision for a value of EUR 25,000, in addition to the scheduled maintenance. She also underwent cosmetics works in the interior saloon / dining room & wheelhouse.
