Overview

The 45 Prestige 2014 Queen Helene, is like new with only 111 hours on her. Styling of the Prestige 45 is reminiscent of the larger boats in the series. The boat's lines are graceful, while still having the characteristics necessary for Keys and Bahamas cruising. Her elegance is most notable in her interior and multiple gathering areas that make her as comfortable entertaining a crowd as she is cruising off to a remote island for a week-long getaway.
