DETAILED INFORMATION

Overview

Lizzy Bee features a split 4 stateroom/3 head layout with Day Head located off the salon. The master stateroom is located aft of the salon and is full beam with ensuite head and access to the laundry center. Just forward of the master is the main salon and forward of this area are three guest staterooms. The port side guest stateroom features side by side berths with ensuite head. The starboard guest stateroom features upper and lower berths and ensuite head as well. An additional guest stateroom is located centerline forward and is capable of sharing either the port or starboard guest head. This stateroom is also accessed privately from a hatch located on the fore deck, should it be desired to be used as a crew stateroom.

Helm Area

- Wraparound curved glass windshield
- Centerline helm with teak helm pod
- Helm deck a/c and heat
- Release Marine helm chair
- Molded Rybovich hardtop with vinyl headliner
- Overhead hatch
- Teak sole
- Volvo controls including joystick control

- 8 - Fusion BX3020 - 3" 100 Watt 2 way cabin speakers
- 6 - Fusion FR6520 - 6.5" 200 Watt 2 way high performance marine speakers

Remarks

Lizzy Bee is truly a work of art. Her current owner has built a number of boats with Michael Rybovich, this being his 5th. She is ultra modern in design, building technology and performance. Equally at home fishing or cruising she is suited for both, loaded with amenities. Her gorgeous book matched teak interior flows throughout her four cabin/three and a half head layout, which shows excellent use of space. With honest cruise speed of 30 knots at 60 gallons per hour, she is extremely smooth, quiet and efficient. Joystick control system as well as traditional helm make operating comfortable and stress free in any environment. Call today for more information or to schedule a showing.

Exclusions

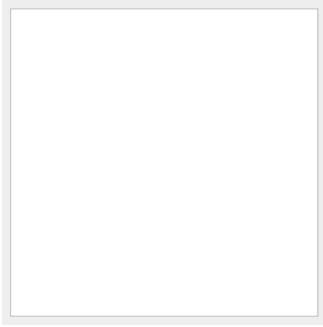

Owner's personal belongings.

Disclaimer
