SPECIFICATIONS

Overview

The Pursuit 3800 Express is ruggedly built to tame the waters of the world and to hunt for trophy gamefish. Offering a quick yet dry, comfortable ride to the fishing grounds, this boat comes with a complete array of standard features.

The cockpit provides easy access to expansive bait prep stations, tackle and rigging storage, large fish boxes, a sink with washdowns, and rod holders. The bridge/deck configuration is designed to accommodate a large captain's chair with a big lounge, an impressive command center starboard, and the cabin entrance conveniently centered.

Below decks, the cabin has been appointed with conveniences and sleeping accommodations usually reserved for pure cruising vessels. Amenities abound, such as an efficient galley area, abundant storage, a standup separate stall shower in the head, and stylish fabrics in the lower salon. A portside combination berth/settee is also standard, and significant rod and reel storage is provided.
