

## MARILYN JANE — HATTERAS

**Builder:** HATTERAS

**Year Built:** 2006

**Model:** Motor Yacht

**Price:** PRICE ON APPLICATION

**Location:** United States

**LOA:** 64' 0" (19.51m)

**Beam:** 18' 2" (5.54m)

**Max Draft:** 4' 8" (1.42m)

**Cruise Speed:** 27 Kts. (31 MPH)

**Max Speed:** 32 Kts. (37 MPH)

Our experienced yacht broker, Andrey Shestakov, will help you choose and buy a yacht that best suits your needs **MARILYN JANE — HATTERAS** from **our catalogue**. Presently, at **Shestakov Yacht Sales Inc.**, we have a wide variety of yachts available on **our sale's list**. We also work in close contact with all the big **yacht manufacturers** from all over the world.

If you would like to buy a yacht **MARILYN JANE — HATTERAS** or would like help answering any questions concerning purchasing, selling or chartering a yacht, please call **+1(954)274-4435**

## Overview

---

**SEE 2017 UPGRADE LIST!**

## Basic Information

---

**Category:** Motor Yacht

**Model Year:** 2006

**Year Built:** 2006

**Country:** United States

**Fly Bridge:** Yes

## Dimensions

---

**LOA:** 64' 0" (19.51m)

**Beam:** 18' 2" (5.54m)

**Max Draft:** 4' 8" (1.42m)

## Speed, Capacities and Weight

---

**Cruise Speed:** 27 Kts. (31 MPH)

**Max Speed:** 32 Kts. (37 MPH)

**Water Capacity:** 265 Gallons

**Holding Tank:** 95 Gallons

**Fuel Capacity:** 1515 Gallons

## Accommodations

---

**Total Cabins:** 3

**Sleeps:** 6

**Total Heads:** 3

---

## Hull and Deck Information

---

**Hull Material:** Fiberglass

---

## Engine Information

---

**Engines:** 2

**Manufacturer:** Caterpillar

**Model:** C-30

**Engine Type:** Inboard

**Fuel Type:** Diesel

# DETAILED INFORMATION

## Description

The aft deck accesses the swim platform from the starboard transom through a stainless steel gate. The platform and stairs to the aft deck are soled in teak. There are shore power connections, transom shower, swim ladder and additional pop-up cleats. The aft deck has a comfortable curved settee and custom table. The aft deck also has a teak sole, as does the teak steps to the bridge on the starboard side. There is a large storage compartment below these steps. The Lazarette and engine room access hatch is located in the center of the aft deck sole. The utility storage in the lazarette is abundant and the engine room offers a well-lit and spacious working area. The walk-around access to the foredeck is wide and safely protected by stainless railing. The foredeck features a large sunpad with cover and ground tackle. The flybridge is enclosed with a fiberglass hardtop, clear enclosure, fully air conditioned and has a centerline helm with unparalleled visibility forward. Twin helm seats and an L-shaped lounge with storage underneath provide ample seating and a wet bar with refrigerator to starboard keeps entertaining options open. MARILYN JANE features an almost full-beam salon while still providing an ample 10 inches of side decks for access to the bow. There are custom furnishings and an entertainment center with a custom 43" Plasma TV with satellite reception mounted forward and to port. Just three steps up, the salon opens into the galley, dining and pilothouse area. The galley is fully-equipped with upgraded top of the line appliances, arranged in a U-shape for cooking convenience. Upper and lower cabinets provide plentiful galley storage. Directly to port is a comfortable dinette with custom wood table and settee seating. The lower helm station features single lever electronic controls and a complete custom electronics package. There is also a 13" flat screen TV in this area. Below deck a full-beam Master Stateroom features a tray ceiling with 83 inches of headroom. Twin nightstands, dressers and wardrobes mirror each side of the King size bed. Dual hanging lockers add to the tremendous storage. For entertaining, an upgraded 32" flat screen TV with satellite reception is provided along with a stereo/DVD player and surround sound. A spacious port guest stateroom features side by side Twin beds, while the bow stateroom features a Queen bed hinged with cedar lined storage. Both have upgraded 20" LCD TV's with satellite reception.

## Aft Deck

Polyplanar stereo speakers with volume control   Recessed lighting   Molded bench seating with vinyl covered polyfoam cushions and cover   Custom aft deck table of solid wood   Fiberglass stairwell from aft deck to bridge deck   Hatch in center of aft deck hinged with gas assisted cylinders for lift up access to utility and engine compartment   Drop down wing station with clutch, throttle and bow thruster controls   Sea ladder with storage brackets   Shoreline inlet forward 50 AMP / 240 Volt - on

foredeck 2 x 240 Volt/50 AMP transformer connected Glendenning CableMaster Retractable shore cords with over-current protection, port sport deck Teak decking systems - aft deck, including 2 steps to swim platform and platform itself Swim platform integral to hull Utility area with large storage space and chest freezer Aft deck cushions and throw pillows, all covered in Sunbrella outdoor fabric

pressure stabilizer tank   Fresh water system manifold   Mach 5 high volume fresh water pump   Rudder table access   Underwater light service access   Engine room door to engine room   Light switches   Awl gripped bilge surfaces

## Engine and Mechanical Equipment

Caterpillar C-30 Twin diesel, 1550 HP, freshwater cooled main engines with electric marine gears, neutral interlocks, exhaust silencers, engine hour meters, alternators, fuel filters and sea strainers   Port Engine Hours 1277 (March 2018) Serial: CLX02695   Starboard Engine Hours 1275 (March 2018) Serial: CLS02696   Dual Racor 751000MAX fuel filters on each engine   Starboard engine has Rexroth PTO for hydraulic pump component   ZF Gears with 3.519:1 ratio   Port Gear Serial: 50015235   Starboard Gear Serial: 50015236   2 x Fuel transfer pumps   Integral manganese bronze struts and Alloy 22 HS shaft with zincs   Stainless steel rudders   7-blade Nibral high performance propellers   Prop removal tool   Alloy 22, 3 1/2" high-strength propeller shafts   Manganese bronze dripless shaft and rudder seals   316L stainless steel trim tabs   Central vacuum (2 outlets)   American Bow Thruster dual prop 16 HP hydraulic bow thruster   Sea Star Hydraulic steering system   Holding tank with sewage pump and overboard discharge   Heavy duty bronze engine couplings   Engine and generator exhaust exits through hull side near transom   Generator exhaust/water separator   Water manifold with centralized shut-off valve for sinks and showers   AC fluorescent lights   DC lights   DC exhaust blower   Oil change system for engines, transmissions, generator   86,000 BTU air conditioning with reverse cycle heating with A/C compressors individually controlled by SMX controls in each compartment   FM200 fixed fire extinguishing system for engine compartment with automatic and remote manual controls plus audible and visual discharge signals   Fiberglass air intake system for engine room and engine combustion air with baffling and filters to minimize water intrusion   Electric fuel transfer system with filtration and dry tank protection for pump   Freshwater fill hose for engines and generator   AC compressed air system with air line and regulator   Dockside water inlet with pressure regulating valve and Hatteras patented quick-disconnect   24-Volt DC bilge and sump pumps: 5 at 2000 gph and 3 at 3700 gph, with heavy-duty float switches and protective guards   Bronze/chrome ball valves through bolted in solid fiberglass on all underwater through hull fittings with electrical bonding throughout   Pressurized 230 Volt AC fresh water pump with central charcoal filter   Fresh water DC back up pump   Thru hulls and wiring for future installation of watermaker   230 Volt AC 30 gallon electric water heater   U.L. Marine listed fiberglass fuel tanks constructed with fire retardant resin with bronze fittings and coated with fire retardant paint   Fiberglass water tanks constructed with FDA approved resin with bronze fittings   Sewage holding tank with 24 Volt DC sewage pump plumbed for dockside pump out with 3/4 full display and alarm as part of systems monitor programmable logic controller   U.L. Marine listed fuel filter/water separator - generator and engines   Sealed shower sump, one each shower   Electric

engine fuel priming pumps, 24 Volt DC    Painted polyurethane engine room and bilges with rubber deck mat between engines    Air conditioning compressors    3 x .5 Hp raw water pumps for air conditioning compressors    USCG type A1U.L Marine approved fuel lines    Discharge sea chests    Digital monitoring for main engines in battery panel    Start and stop switches and hour meters    Awl gripped bilge surfaces  
New Spare A/C Pump

## 2017 Upgrades

New hot water heater    Replaced both A/C pumps (2018)    Installed new sea water manifolds    Replaced shaft and rudder zincs    Replaced Master with custom mattress  
Rebuilt from factory Arc search light    Remove and replace fire suppression system  
Replace windshield cover and tender cover    New carpet throughout interior  
Completely rebuilt Nautical Structures davit    New remote control Nautical Structures  
Repair and service both generators    Replace Star water pump    Repair fuel primer pump    New Zincs    Wax deck up (June 2017)    Wax deck up (Dec 2017)  
Wax hull (Jan 2018)    Replaced leaking cooling unit in Galley    New tender chocks  
Replaced chiller in Galley / Repair handler Master    Repaint rub rail / Swim Platform / Nicks  
All new marble in Galley / Replaced all granite    New cast iron sink and faucet in Galley  
Recover/Re-stuff Salon sofa    New Shabby-Chic Barrel Chairs in Salon  
Custom Foot Stool and Pillows in Salon    New Sunbrella Aft Deck Cushions    5 New lamps in Salon and Galley    3 New lamps in Staterooms    Recover/Re-stuff Salon  
Suite/Custom Pillows    Replace all Bridge cushion and custom pillows    All new bedding/pillows/towels    Recover all Stateroom headboards/bed frames    Custom shade screen for Bridge Aft Deck    New Bridge Isenglass (2016)    Matching African Mahogany frame around Salon TV    Upgraded tow cleats on transom

## Exclusions

The Owner's and Crew's personal belongings. A detailed list of exclusions will be provided at the time of sale and upon written request.

## Exclusions

Owner's personal belongings.
