DETAILED INFORMATION

OVERVIEW

Motor Yacht "MADNESS" is a great opportunity for her next owner. She offers the same Ed Monk Jr.88' hull design like the current 90' Ocean Alexander models. MADNESS had her stabilizers upgraded by experienced owners in order to improve Stability and Seaworthiness in offshore conditions. Over the years her meticulous owners updated, serviced and upgraded Mechanical systems as needed, in order to keep her current and in turn-key condition. Her offshore capabilities allow her to cruise in almost any sea conditions. In addition, her draft makes her "Bahamas Friendly". Her (4) Stateroom layout offers a full beam Master, (2) very spacious VIP suites and a Stateroom with two Bunk beds. Her owner is building a new home and he wants MADNES sold now. He is a very motivated seller that is willing to consider a smaller Yacht as a trade. Bring offers.
