SPECIFICATIONS

Overview

Designed by Gilles Vaton and built by H2X, the Sailing Yacht BLUE DIAMOND is a great cruiser-racer combining five star comfort and high performances, both for blue water cruising or on the Super Yacht racing circuit! Her luxury interior can accommodate up to eight guests in 4 double cabins with ensuite bathrooms, around a wide saloon and dinner table, well isolated from the galley and the crew quarters, and offers a safe and protected cockpit, separated from the maneuvering area, which features an open transom inviting to the ocean. The flush deck, sleek lines and powerful rig invite for sensational sailing in all conditions! Launched in 2004, BLUE DIAMOND is built of Carbon Fiber, rigged with a Lorima 4 spreaders mast and a wide range of sails. She features a lifting keel to allow shallow access, and has been maintained by a professional crew and a dedicated Owner at the highest level!
