SPECIFICATIONS

Overview

Designed by Bernard Olesinski, Mirage IV was built in GRP to RINA class by British yard Princess and delivered in spring 2017 as the seventh hull in the Princess 40M series. Accommodation is for up to 12 guests in six cabins comprising a main-deck master suite, VIP suite, two doubles and two twins, all with entertainment centres, Samsung television screens and en suite bathroom facilities. Four further cabins can sleep up to seven crewmembers aboard this yacht for sale.

Side doors and fold down balconies further open up the beautifully light, open and spacious saloon and dining room on the main deck. The saloon itself has comfortable furniture and an entertainment centre including a large Samsung television and a Kaleidescape server offering on-demand audio and video throughout the yacht

Her large sun deck offers guests a six-person Jacuzzi, a bar, Teppanyaki grill, extensive built-in seating and a protective custom hard top.

Twin MTU 12V4000 M93 diesel engines give her an impressive maximum speed of 23 knots and a range of 2,300 nautical miles at 10 knots. For added comfort at sea and in port, she is fitted with Trac digital fin zero speed stabilisers.

Lying in Rhodes, Greece, Mirage IV is asking £13,500,000.
