Cockpit

The open teak cockpit with mezzanine seating is very user friendly. There are custom C-Worthy Sombra cushions and air conditioning vents that provide cold air out of the bulk head. Salon door offset to starboard and bridge ladder access port give the anglers lots of space to get comfortable. Four Dometic KRA custom freezer boxes are under the bench seat and teak mezzanine step complete with starboard dividers custom fit for drink storage and organization. Including the custom bridge deep freezer, "Chasin" has more than 22 cubic feet of freezer space. Engine room access is in the middle and dry storage under the half step to enter the salon door. The starboard side offers a 2-drawer tackle center with custom Plano box slots, a "catch all" compartment with a 115 outlet for phone chargers or electric grill on top and a deep ice chipper dump below under the mezzanine step. The large transom fish box is ready with custom tuna tube fittings that is fed by a two Rule Pump Fred Box in the engine room. Toe kicks on both port and starboard sides are custom fit for wash brushes and gaff storage that slide forward for a neat, clean look. Each side also has a fresh water hose spigot and a Hubble shore power plug in. Also under the teak covering boards are (2) 24 Volt Hubble receptacles for dredge or deep drop electric reels. There are Gost IR beams for the onboard security system. JL Audio speakers overhead and a Release fighting chair with 5-hole rocket launcher complete the cockpit.

Flybridge

Long bench seating on both sides provide comfort and extra storage with JL Audio speakers respectively. A huge custom deep freezer is situated in front of the console with custom starboard dividers to keep the bait organized. Two Miya Epoch US-9R

teaser reels are overhead along with space for additional reels. Two Release helm chairs complete the bridge.

Electronics and Navigational Equipment

- (2) ICOM VHF Radios with Comrod 16' Antennas
- Furuno FCV1150 Sounder
- Furuno RD30

Engine Room / Mechanical Equipment

Drop into the engine room and move aft between the 650-gallon fuel tanks into the lazarette to find custom chamois mop and flying gaff storage, a Seastar power steering ram and four Sea Vision transom lights by Underwater Light USA, Inc. Moving forward into the engine room is a pair of Caterpillars best C series motors, which are Platinum warrantied at \$0 deductible until 2020 or 5070 hrs. The Caterpillar C-32 1650 horsepower HEUI motors (2880 hrs) are paired with Twin Disc MGX-6599A gears and both motors are equipped with power steering pumps. A Caterpillar C 2.2 24 kw generator (3070 hours) provides all the power you would need. Everything is protected by (2) Fireboy Xintex fire cans that were recertified in March of 2017.

Also Included in Engine Room:

- SpotZero Water Polishing System
- Sea Recovery Aquamatic Watermaker
- Atlantic Ice 480E Ice Maker
