Remarks

The Griffin will impress the most discriminating custom boat buyer. Flawless is the best way to describe her overall condition. She is updated and turn key in every respect

from engines, paint, teak and electronics. Featuring a very comfortable two stateroom, two head plus companionway berth, her layout will comfortably sleep 5. Her low hour Cummins engines give her a 30 knot cruise, burning in the low 40s. She is not only economical, but also very soft and dry riding, typical of all of Michael Rybovich's builds. Turn key, call to see for yourself.

Exclusions

- Vessel name is Reserved and must be removed within 60 days after closing
- Artwork throughout vessel
- Rocket launcher does not convey with vessel
- Fighting chair will convey with sale

Exclusions
