SPECIFICATIONS

Overview

"Lunar Day" is probably the best twin-engine catamaran on the market under \$150,000, and is a fantastic cruising catamaran that's fun and easy to sail!!! There is plenty of space and comfort for cruising and lots of room on deck for easy sail handling. She is ready to sail anywhere, and will give a new owner sheer delight with her handling. *Twin Volvo-Penta* diesels burn only .6 gal per hour (total for both engines) at cruising speed of 6 knots allowing for extended range.

Constructed to ABS standards.

2 ft. 9-inch draft - go anywhere on the ICW

49 ft. mast - access to FL west coast via Lake Okeechobee

Self-tacking sail plan and covered foredeck - ideal for single handing

Wide swim platform for easy, safe boarding at anchor

Energy independent - 570 watts of solar power (new)

3 private, comfortable gueen-sized staterooms
