SPECIFICATIONS

Overview

No other yacht in her size can match the Carver 444 for interior space and comfort. With its panoramic views and nearly seven feet of headroom, the salon dimensions are those of a much larger boat. A mid level galley is forward to port, and both staterooms have queen berths. The helm is forward on the spacious flybridge with lounge seating and a wet bar. Her 370HP. Volvo Diesels will cruise the 444 around 18 knots and reach a top speed in the mid 20's.
