SPECIFICATIONS

Overview

COMPLETELY REFITTED DURING 2013 DIAMOND is an extremely well maintained Rivarama 44' built by RIVA in 2003 and has been completely restored as to new during a refit in 2013. DIAMOND has been used minimally since her refit and is currently being kept in dry storage during the winter period.

DIAMOND is eloquently stylish and can travel long distances with the maximum rapidity and comfort. She has the one double cabin, located towards the bow with an en-suite bathroom and great storage. The cockpit features everything necessary to ensure the very highest standards of comfort; from the Bimini which provides shade from the sun even at speed, to the folding teak table which can seat up to eight.

There are plenty of sun pads to the stern and adorn also the foredeck, equipped with a mattress clad in fabric. There is a crew cabin independent of the master cabin which is unique for a boat of this length. She is powered by twin 700 HP MAN' engines and has a range at cruising speed of 230 Nautical Miles.
