SPECIFICATIONS

Overview

This Custom 37' Tollycraft Sport Sedan has had three feet added to the cockpit, and the original gas engines replaced with more economical Yanmar diesel engines. When the hull was extended, the starboard and port hull chines were also extended and squared off to provide more stability and lift.

This sporty sedan has always been popular and known for its quality build, comfort, and styling. The well-appointed interior with solid teak cabinetry boasts two private staterooms; a transom door, in-deck fish box, and the wide side decks are all standard attractions of this vessel. You'll also find that this vessel includes a bow thruster and third cockpit driving station.

Basic Information

Category: Sport Fisherman

Sub Category: Sedan

Model Year: 1990
