SPECIFICATIONS

Overview

This 2008 35 Everglades center console is a hardcore fishing machine that will meet all the requirements for offshore tournament fishing or short trips near shore. Numerous upgrades including brand new electronics, underwater lights and electric reel plugs will make fishing easy and turn heads at the same time. Approximately 1500 hours on motors, 850 hours recorded at idle or trolling speeds. Motors well maintained and lightly used. Complete engine download information available upon request. Owner is forced to sell due to a work move and must sell quickly!
