Overview

2013 Supra Launch 21V, Great boat always kept in dry storage. Trailer included. This boat is clean and ready for a new owner. She is truly the Ferrari of boats. The Supra Launch 21v is known for producing big air under even novice riders. The walls of wakes this Supra produces give beginning to intermediate shredders the momentum they need to get up and over aerial moves. Thanks to the customizable rider profiles housed in Supras VISION dash, wake riding sets can be tailored to individual skills with extreme precision. Wake shape, size and boat speed can all be programed to preference. The Launch 21V offers all of this wake performance without forgetting about whats on the inside. Deep supportive seating frames a boat load of storage to accommodate as many as 14 and their gear on the lake. A huge insulated ice chest complimented by oversized cup holders adds to the 21Vs accommodation. Take into account the new standard Clarion-Polk Audio Sound System, customizable seating like the extended observers leanback and the choice of bow configurations with the walkthrough Sunsport and playpen Launch series models. The 21V is not just about accommodation but a truly individual experience.
