SPECIFICATIONS

Overview

The 70' Ocean Sportfish, "ONE MORE TIME," truly captures sportfishing luxury on a grand scale. She is a privately owned vessel, used for owner's personal pleasure and not for charter. She's never been fished, is very well-kept with low hours, and is in great condition! A must-see! She is built on a tapered modified-V hull with cored hullsides and a nearly flat 3 degrees of transom deadrise. Belowdecks, her lavish and innovative floorplan is arranged with the galley and dinette forward and a step up from the huge salon. There are four staterooms on the lower level with the full-beam master suite located beneath the galley. The cockpit comes with molded tackle centers, cockpit controls, in-deck fish box, live bait well, a full transom with starboard door, and direct engine room access. The massive enclosed bridge includes three pedestal seats, a wet bar, and sky lounge seating for a crowd. Additional features include teak covering boards, laundry center with washer/dryer, central vacuum system, and a bow pulpit.
