## Overview

---

Open to trade-ins. Financing is available through our network of providers. The Beneteau 235 is one of the finest boats in this size range and exciting to sail. It packs a great deal into such a small package, mixing performance and usability in a very compelling fashion.

Not many 23 foot boats have a galley, ice box, sink, and 2 burner stove, directly across from a fully inclosable marine head which doubles as a working navigational station with its slide out table. It also has an aft sleeping area and an interior that doesn't demand you bend double at the waist. Moreover, somewhere a 6'3 person can stretch out without jamming their feet into a corner? It has the very same toe rail, chocks, cleats, and other fittings as found on the Beneteau/Jeanneau 50, and combines all this with performance that embarrasses many with longer water lines. In short, it's an excellent trailer-sailer and this beauty is a well kept version of one.

All Sails included .
