DETAILED INFORMATION

Vessel Walkthrough

OT2 is a 2015 53 Magellano that is powered by Twin Cummins QSC 8.3L 500hp (each). This vessel is a 3 stateroom, 2 head layout with a crew quarters. Luxurious amenities include a gyro SeaKeeper stabilizer, hydraulic swim platform, and Xenta docking controls along with a sleek Italian design. **OT2** is easy to board when first stepping on as you enter through two boarding doors located on both port and starboard, which leads you onto the teaked aft deck. This spacious area makes entertaining outdoors easy and comfortable with C-shaped seating accompanied by a teak table with folding sides along with a wet bar, a BBQ grill, and an ice maker. Making your way forward through the sliding, stainless steel doors, you will see the L-shaped galley to port with a full sink, cabinets for storage, a fridge/freezer, a four-burner stove top, and an oven below. Just forward of the galley is the dinette area to the port side, seating six comfortably around an electric, wooden folding and expandable table. Directly across is the lower helm station to starboard designed with a black, leather helm seat and foldaway stainless steel foot rest. Making your way down the stairs into the lower companionway, you will find the three staterooms. The master is mid-ship and is accompanied by an upgraded queen size berth, which has access to storage underneath with the hinged bed base. The master offers an ensuite head and shower. The VIP/bow stateroom has a full size berth, also with a fold-up mattress for access to storage below. This cabin has two armchairs on each side of the berth to accommodate its guests with ample lounging space. The starboard stateroom contains two single bunk beds and a full hanging closet. **OT2** flybridge is an area for relaxing in comfort and style with a black Bimini and a C-shaped seating area with an adjustable teak table to port. The upper helm station is equipped with upgraded electronics making it a captain's dream. Looking forward and down onto the bow of the vessel, you will notice ample seating and lounging with a cushioned couch and table in the middle for guests. **OT2** is located in West Palm Beach, FL.
