## Overview

---

This 2000 45 Carver Voyager is one of the most popular cruising yachts produced in the early 2000s. She has been upgraded and prepped to be ready to cruise. This boat was a freshwater yacht for the first 8 years of service before being moved to the Gulf Coast. This is the perfect cruising vessel for two couples or a family. There are two large staterooms, two heads, and a pilothouse for long range cruising. There is an expansive flybridge with a second helm for entertaining and coastal cruising as well. The interior promises to keep you in ample luxury with a large salon, mid-level galley and an abundance of space to spread out and relax.

## Basic Information

---
