- Cockpit grill and ice maker

Power Boat Guide Description

The Regal 46 Sport Coupe is a luxury-class express yacht designed for coastal cruising in comfort and style. With her sleek styling and spacious deck layout, the Sport Coupe is a head-turner wherever she goes. Her single-level cockpit and helm areas are open in the standard version, however, optional sliding glass doors will transform the forward section of the cockpit into a fully enclosed pilothouse. A walk-thru windshield provides easy foredeck access, and—weather permitting—the huge sunroof slides aft for all the fresh air you can handle. Below, the rich cherry wood salon of the Regal 46 features an Ultraleather settee to port with fold-out sleeper and built-in recliners. Where many express yachts this size have the galley on the main deck where it's accessible from the cockpit, the 46 has the galley down. The forward owner's stateroom features an offset queen bed and private head access. Aft of the salon, the mid-cabin features a private head/ shower and twin single berths that join to form a king bed. Volvo 370hp IPS pod drives cruise the 46 Sport Coupe at 24-26 knots.
