SPECIFICATIONS

Basic Information

Category: Motor Yacht

Sub Category: Express

Model Year: 2005

Year Built: 2005

Country: United States

Dimensions

LOA: 51' 0" (15.54m)

Speed, Capacities and Weight

Cruise Speed: 21 Kts. (24 MPH)

Max Speed: 28 Kts. (32 MPH)

Water Capacity: 110 Gallons

Holding Tank: 60 Gallons

Fuel Capacity: 400 Gallons

Accommodations

Total Cabins: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Cummins

Model: QSC 8.3

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

YACHT DESCRIPTION AND DETAILS

Bold and innovative styling has been a Sundancer trademark for many years, an assertion that few marine industry pros would likely dispute. In 2005 they introduced the all-new 48 Sundancer, a remarkably handsome hardtop cruiser whose sweeping lines and distinctive hullside ports reset the styling standard for boats in her class. Built on a beamy deep-V hull with a solid fiberglass bottom and prop pockets to reduce shaft angles, the opulent two-stateroom interior of the 48 Sundancer is a sophisticated blend of high-gloss cherry cabinets, Ultraleather seating, hardwood floors and designer galley appliances. Both staterooms are private, and the forward head is split with the toilet and sink to port and the shower to starboard. A 26" flatscreen TV/ DVD is standard in the salon, and the aft head has a separate stall shower. The 48's sleek fiberglass hardtop—which shades a good part of the cockpit—includes dual power sunroofs as well as power side windows. An optional hydraulic swim platform can support a dinghy. Cruise in the low 20s with 540hp Cummins V-drive diesels (28–29 knots top).
