ПОДРОБНОЕ ОПИСАНИЕ

Vessel Walkthrough

This 82' Horizon is accessed from a large functional swim platform with curved steps from both port and starboard up to the aft deck. The teak aft deck has seating for 8, a custom ice chipper in fiberglass cabinet, flat panel TV and docking station. There are curved stainless steel sliding door accessing the salon. The interior wood throughout is Makore. The salon has Makore and Holly flooring pushing all the way forward. There is a large L-Shaped sofa, love seat, chair, flat panel TV with actuated lift and AV system. The salon also features a custom fully equipped granite bar. The day head is forward. Aft to the port corner is a curved staircase providing access to the crew quarter and engine room.

The fully functional galley is located forward of the salon. The galley is an open layout with under the counter refrigeration that gives an unobstructed view of the large U-Shaped dining area forward that features granite counter tops. This open-air layout gives the feeling of being on a much larger yacht. There are curved teak steps to the flybridge and a companion stairwell to the owner and the guest staterooms forward.

The owner's stateroom features a full beam layout with a centerline king berth, vanity to port and a settee to starboard. There is a large walk-in closet that features the ship's safe. There is a smaller closet to port and a flat panel TV mounted on the forward bulkhead. The owner's stateroom also boasts his/her marble and granite heads separated by a large centerline shower.

The companionway leads forward and there is a washer/dryer unit located on the port side. The twin guest cabin is also to port. This elegant stateroom has its own hanging locker, drawer storage and marble and granite had with shower stall.

The VIP cabin is located forward and features a walk-around queen berth, (2) hanging lockers, under berth storage and adequate drawer and locker stowage. The VIP also has a marble and granite head with a large shower stall. All guest rooms have their own TV and entertainment centers.

The crew quarters are located aft and can be accessed from either the transom door on the swim platform or from the curved stairway from the salon. The crew are is equipped with a double berth cabin, a bunk cabin, dinette with crew galley and a full marble and granite head with shower. The crew area is completely finished-out and shows as nice as the rest of the viewable areas of the boat. There is a second washer/dryer arrangement in the crew quarters and another safe as well.

The flybridge has a custom oversized hardtop with new four-sided enclosure. The table has been finished-out in teak wood and is quite expansive. There are (2) Stidd captain's chairs behind the helm. The flybridge is air conditioned and also features a wet bar with

refrigerator, icemaker, freezer, pop-up TV, storage and custom seating configuration. All the way aft is the low profile Nautical Structures 2000 lb davit.

Aft Deck

- Portside staircase teak to flybridge
- Teak table top
- (4) New aft deck chairs
- Port and stbd boarding doors
