## Overview

---

This excellent 2 cabin 2009 Princess 42 has benefitted from very clever upgrades and professional boat management by the current owner. Step into a boat that is fully optioned and ready to cruise Phuket and the surrounding islands in comfort.

The Princess 42 is a hugely successful model from the UK builder and has achieved iconic status over the years. The P42 layout offers two good sized cabins with their own heads, a practical galley and an elegant saloon that opens up through the glass doors to the spacious teak laid cockpit area. This particular yacht has had upgraded generator and air/con systems fitted so is ideally suited to these hotter climates. Also fitted is a hydraulic lift for the tender on the swim platform making launch and retrieval very easy.

The flybridge with its own fridge and large lounge areas is a great place to relax. Powered by twin Volvo Penta D6-435's giving a cruising speed of 26knots and a top end speed of 29 knots.

All together a very complete package, privately owned and professionally maintained. Contact us today for full details on this great Princess 42. For a full specification or to make an appointment to view please contact us today.
