SPECIFICATIONS

Basic Information

Category: Sport Fisherman

Sub Category: Convertible

Model Year: 2018

Year Built: 2018

Country: United States

Dimensions

LOA: 62' 0" (18.90m)

Beam: 18' 11" (5.77m)

Max Draft: 5' 2" (1.57m)

Speed, Capacities and Weight

Displacement: 94025 Pounds

Water Capacity: 310 Gallons

Fuel Capacity: 1800 Gallons

Accommodations

Total Cabins: 4

Total Heads: 3

Hull and Deck Information

Hull Material: Fiberglass

Hull Color: Haze Gray

Hull Designer: Viking

Engine Information

Engines: 2

Manufacturer: CAT

Model: C32A

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Manufacture Description

Available March 2018 The 62 Convertible is a showpiece in the Viking tradition with a fusion of leading edge engineering. To optimize its strength to weight ratio, the composite cored hull is resin infused with a high modulus of Dupont's Kevlar, carbon fiber and knitted fiberglass laminates selected to reduce weight while increasing the overall physical properties of the structure. Similarly, interior stateroom and hanging locker doors, as well as cabinet fronts throughout the yacht incorporate honeycomb coring for further weight reduction. The 62 Convertible also has recessed engine cooling water pickups, refined propeller pocket entry to enhance flow to the five-bladed wheels for reduced noise with better traction, and modified architecture to the struts and rudders adding to an efficient and slippery running surface delivering speeds in excess of 42 knots with a pair of Caterpillar C32-A engines rated at 1,925mhp.

We cordially invite you to contact **us** - your Viking dealer to learn more about this model.
