Manufacturer: MTU

Model: 16V2000 M93

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Description

This 97.01ft /29.57m Custom Line 97' motor yacht was built in 2011 by Custom Line. Zuccon is responsible for her beautiful exterior and interior design with, elegant lines and a unique and unmistakable character. Offering the owner and his guest surprisingly roomy spaces: modern interior design, characterized by luminous and light shades, and furnishings that allow the widest choice of personalization to compliment the owner's taste and lifestyle. On the outside, the flying bridge is equipped with large spaces which can be covered by the hard top with a central opening for allowing light to filter through, or for creating comfortable shaded areas. The aft door opens into the spacious garage for a tender and a jet-ski. Once opened it allows for direct access to the sea thanks to a convenient teak platform. Custom Line 97' is an oasis conceived for living the sea from an exclusive point of view.

Main Deck External

- Access hatch to forepeak
- Access to bathing platform (stainless steel and plexiglass gate, teak and GRP stairs, electrohydraulic stairs hatch with stainless steel handrails)
- Access to gangway (stainless steel and plexiglass gate)
- Access to the engine room (hatch)
- Access to the flybridge (GRP and teak stairs, courtesy light and stainless steel handrail)
- Access to the systems area (wooden and non-slip stairs in the starboard support)
- Aft (2), bow (4) roller fairleads
- Aft handrail
- Aft manual glass sliding door to salon with stainless steel frame
- Boat hooks (3)
- Bow garage with storage space with electro-hydraulic door and inspection hatches (2)
- Bow pulpit with stainless steel side rails
- Capstans (2) in cockpit docking cabinet (2200 W each)
- CCTV colour cameras (3) on cockpit and side deck ceilings
- Chain wash down with sea water
- Closet with shoe cabinet in the port support
- Cockpit chairs (5)
- Cover for bench, cockpit table and sunbathing area at bow
- Cylindrical fenders (8)

- Docking line 80 mt
- Dockside water connection
- Electric anchor windlasses (2) (4000 W each) with controls at bow
- Electro-hydraulic garage door teak-laid on the inside
- Emergency escape from engine room (hatch and removable stairs in stainless steel and teak)
- Fender covers (8 + 6)
- Fire hose outlet at bow
- Fresh water outlet for washing in starboard mooring station
- Garage at stern with storage space
- Glendinning with shore power connection 100A 400V 3 poles + ground (20 mt)
- Housed life rings (2) one with rope and luminous buoy
- Hydraulic bow thruster (58 Hp)
- Inlaid decorative wood trim on cockpit ceiling
- Lateral cleats (4 each side)
- Lighting on cockpit and side decks
- Mooring stations (2) with fibreglass covers and storages for mooring lines
- Perimeter curtain rod for canopies (cockpit and side decks)
- Pool anchors (2) 105 with chains (2) 120 mt, diameter 13 mm, with markings in increments of 25 mt
- Pull handles in the engine room (engine fuel and generator shut-down, air inlet and ventilation fan shut-off (2), activation of fire extinguishing system)
- Refuelling and water intake on side decks
- Round fenders (6)
- Side exit doors (2)
- Side gates (2)
- Sink with hot and cold water (mooring station)
- Stainless steel bow hawses (2)
- Stainless steel bow staff with bell
- Stainless steel cleats: (4) at stern, (4 each side) at midship and (4) at bow
- Stainless steel deck hardware
- Stainless steel, teak-laid electro-hydraulic telescopic gangway with remote controls (2)
- Steering position in the cockpit, port support
- Teak bathing platform with foldaway electro-hydraulic diving bathing ladder and stainless steel cleats (2)
- Teak laid deck
- Teak table (2200mm x 900mm)
- Towing line 100 mt
- Upholstered stern bench (dual use sunlounge pad and sofa), cockpit table and side storage compartments with wooden top
- Upholstered sunbathing area at bow with headrest cushions
- Watertight loudspeakers (4) in the cockpit

Saloon

- Aft manual glass sliding door to cockpit with stainless steel frame
- Air conditioning
- Audio/Video mediaservers Seamphony master
- Blu Ray DVD reader
- Ceiling spotlights
- Concealed overhead lighting system
- Cordless telephone
- Electric Roman blinds
- Fitted carpet with soundproof lining
- Home Cinema System (speakers (5), subwoofer, speakers (4) in the cockpit)
- Icemaker
- Integrated remote control for Audio/Video
- LCD TV 40" with up/down electric system fitted into the starboard wall cabinet
- Living area: leather sofas (2), leather and glass coffee table, corner top

Dining Area

- Access to lobby (sliding door)
- Air conditioning
- Cabinet for glasses
- Cabinets with shelves
- Ceiling spotlights
- Chairs (8)
- Complete tableware for 12
- Concealed overhead lighting system
- Electric Roman blinds
- Fitted carpet with soundproof lining
- Table with glass and leather top (2200 mm x 900 mm)

Galley

- "Side by side" fridge-freezer 504 lt. 230V with ice dispenser
- Access to crew area (carpeted stairs with courtesy lights and stainle steel handrail)
- Access to dining area (wooden sliding door)
- Access to lobby (sliding door)
- Air conditioning
- Cabinets with shelves and drawers
- Ceiling spotlights
- Ceramic electric four ring cooktop with pan holders

- Dishwasher for 12
- Electric oven
- Extractor fan 230 V with external outlet
- Freezer 98 lt
- Fridge 141 lt
- Galley electric panel
- Wardrobe with digital safe

Master Bathroom

- Air conditioning
- Ceiling spotlights
- Electric ceramic WC and bidet, in separate area with glass door and stainless steel frame
- Electric extractor fan for bathroom and shower
- Lacquered bulkheads
- Lockers with shelves
- Marble flooring with wooden trim
- Mirror
- Shower (glass door and frame in stainless steel, marble floor, marble bench, and lacquered walls)
- Towels set
- Washbasin on marble counter top
- WC control panel with gauge (3/4 and full)
- Wooden Venetian blinds

Main Raised Helm Position

- Access to flybridge helm position (non-slip and wooden stairs, glass and stainless steel frame companion door)
- Access to lobby (carpeted stairs, courtesy lights)
- Acoustic alarms
- Air conditioning
- Automatic pilot control unit
- Black-out roll-up for side windows
- CCTV video sequencer with 15" display
- Chart table with storage for nautic charts
- Cigarette lighter outlet 12V
- Clock, barometer and hygrothermometer
- Colour 15" LCD displays (2) for integrated monitoring system
- Dashboard upholstered in leather
- Dimmer for lights and navigation instrument

- Electric control for searchlight
- Electronic controls for engine clutch and throttle with easy-dock and auto-troll functions
- External acoustic alarm for bilge water level in garage, engine room and bow
- Fire detection system control panel
- Flaps indicator
- Helm position electric panel
- Integrated monitoring system with 15" touch-screen display
- Integrated Navnet 3D (1 bbox) with LCD 15 "color displays (2) (Furuno 48 miles radar, chartplotter and GPS, depth
- sounder) (raised helm position)
- Inter-com for maneuvering
- Leather covered steering wheel
- Leather helm-seat with electric movement control
- Leather sofa
- Magnetic compass
- Mini Hi-Fi system CD with tuner and loudspeakers (2)
- Multifunction printer with Fax
- Navigation instrument (Eco, log and water temperature) (2)
- Navigation lights
- NAVTEX weather transceiver
- Portable GMDSS VHF (2)
- Power management system with touch-screen display
- Power-assisted hydraulic steering
- Protective external covers for front windscreen
- Rudder angle indicator
- SART Transponder ACR PATH FINDER 3
- SSB lamp
- SSB/DSC transceiver
- Steering position with complete navigation instrument
- Synoptic panel unit with acoustic and visual alarms
- Teak and maple wooden flooring
- Telephone
- Telephone interface GSM/Voice/Fax
- VHF transceiver (2)
- Windscreen wipers (3) with washing system and timer

Upper Deck External

- Access to cockpit (teak and GRP stairs, courtesy lights, stainless steel handrails)

- Acoustic alarm
- Anti-slip deck
- Cockpit stairs skylight with stainless steel handrail
- Cover for helm console, helmsman seat, co-pilot seat, sunlounge pad, table and sofa
- Electric operated searchlight
- EPIRB ACR GLOBAL FIX
- Fully fitted wet-bar with sink, fridge (2 doors), grill, icemaker and storage space
- GPS antenna (2) (hard top)
- GRP hard top with electric canopy
- GSM antenna (hard top)
- Life rafts for 20 people (2 x 10) with hydrostatic hook (2)
- Navigation lights
- Open Array Radar antenna (hard top)
- Outdoor upper deck lighting
- Perimeter curtain rod for canopies (hard top)
- Removable stainless steel handrail at stern
- Sofa and fibreglass table
- SSB Antenna (2)
- Stainless steel and varnished electro-hydraulic davit crane 800 Kg
- Stainless steel flag staff
- Stainless steel ladder for hard-top inspection
- Stainless steel signal mast
- Sunlounge pad
- TV antenna (hard top)
- VHF antenna (2) (hard top)
- Watertight loudspeakers (4) connected to sun deck Mini Hi-Fi

Flybridge Helm Position

- Access to raised helm position (non-slip and wooden stairs, glass companion door with stainless steel frame)
- Acoustic alarms
- Automatic pilot control unit
- Co-pilot bench
- Digital chain counter (2)
- Electric control for searchlight
- Electric helmsman bench
- Electronic controls for engine clutch and throttle with easy-dock and auto-troll functions
- GRP dashboard with electric opening

- Inter-com for maneuvering
- Navigation multifunction instrument (Eco, log and water temperature) (2)
- Plexiglass and stainless steel front and side windscreen
- Power-assisted hydraulic steering
- Repeater Integrated Navnet 3D navigation system with 8" LCD colour display (Furuno 48 nm radar, chartplotter and
- GPS, depthsounder)
- Rudder angle indicator
- Second helm position with instruments and alarms
- VHF dual station
- Watertight mini Hi-Fi system with FM/AM tuner

Lower Deck Lobby

- Access to main deck (carpeted and wooden stairs and courtesy lights)
- Cabinet with shelves
- Ceiling lights
- Fire hose outlet with sea water
- Fitted carpet with soundproof lining
- Mirror

Aft VIP Cabin

- Air conditioning
- Ceiling spotlights
- Concealed overhead lighting system
- Digital safe
- Double bed with mattress, pillows, bedspread and sheets
- Drawers under the bed (4)
- Fitted carpet with soundproof lining
- Headboard upholstered in leather
- LCD TV 22"
- Mini Hi-Fi CD/DVD system with tuner and loudspeakers (2)
- Natural ventilation under the mattress
- Nightstands with door (2)
- Reading lights (2)
- Roman blinds (2)
- Telephone
- Wardrobes
- Windows (2) with openable side portholes (2) in stainless steel

VIP Bathroom

- Air conditioning
- Ceiling spotlights
- Ceramic bidet in separate area with sliding door
- Electric ceramic toilet in separate room (sliding door)
- Electric extractor fan for bathroom and shower
- Lockers with shelves
- Marble flooring with wooden trim
- Mirror
- Openable porthole in stainless steel
- Shower with glass door, stainless steel frame and marble tray and seat
- Towels set
- Washbasin on marble counter top
- WC control panel with gauge (3/4 and full)
- Wooden Venetian blinds

Guest Cabins at Bow

- Air conditioning
- Bookcase
- Ceiling spotlights
- Concealed overhead lighting system
- Drawers under the bed (4)
- Dressing table with mirror and leather ottoman
- Fitted carpet with soundproof lining
- Headboard nightstand (2)
- LCD TV 22"
- Leather headboard
- Mini Hi-Fi CD/DVD system with tuner and loudspeakers (2)
- Natural ventilation under the mattress
- Reading lights (2)
- Roman blinds
- Single beds (2) with mattresses, pillows, bedspreads and sheets
- Telephone
- Walk-in wardrobe with mirror, drawers (emergency exit starboard cabin)
- Window with openable side portholes (2) in stainless steel

Guest Bathrooms at Bow

- Air conditioning
- Ceiling spotlights
- Ceramic bidet with hot/cold fresh water
- Electric ceramic WC
- Electric ventilation fan for bathroom and shower
- Lockers with shelves
- Marble flooring with wooden trim
- Mirror
- Openable porthole in stainless steel
- Shower with glass door, stainless steel frame and marble tray
- Towels set
- Washbasin on marble counter top with hot and cold water
- WC control panel with gauge (3/4 and full)
- Wooden Venetian blinds

Crew Lounge

- Access to main deck (carpeted and wooden stairs and stainless steel handrails)
- Cabinets with shelves
- Ceiling spotlights
- Ceramic electric two ring cooktop with pan holder
- Complete tableware for 5 (crew)
- Curtains
- Dryer
- Dual station VHF
- Extractor fan 230 V with external outlet
- Fitted carpet
- Fridge 85 lt
- Integrated monitoring system with 15" touch-screen display
- LCD TV 19"
- Mini Hi-Fi CD/DVD system with tuner and loudspeakers (2
- Openable porthole in stainless steel
- Overhead cupboards with shelves
- Power management system with touch-screen display
- Sofa and wooden table
- Stainless steel sink with fresh water
- Telephone
- Washing machine

Captains Cabin

- Air conditioning

- Ceiling spotlights
- Curtains
- Fitted carpet
- Mini Hi-Fi CD/DVD system with tuner and loudspeakers (2)
- Openable porthole in stainless steel
- Reading light
- Telephone
- Three quarter bed with mattress, pillow, bedspread and sheets
- Wardrobe with safe and mirror

Captains Bathroom

- Ceiling spotlights
- Curtains
- Electric ceramic WC
- Electric ventilation fan
- Lockers with shelves
- Mirror
- Openable porthole in stainless steel
- Shower with roll-up waterproof curtain
- Towels set
- Washbasin with fresh water
- WC control panel with gauge (3/4 and full)
- Wooden flooring

Crew Cabins (2)

- Air conditioning
- Bunk beds with mattresses, pillows, bedspreads and sheets
- Ceiling spotlights
- Curtains
- Fitted carpet
- Openable porthole in stainless steel
- Reading lights (2)
- Wardrobe

Crew Bathroom

- Ceiling spotlights
- Curtains
- Electric ceramic WC

- Electric extractor
- Locker with shelves
- Mirror
- Openable porthole in stainless steel
- Shower with waterproof curtain
- Towels set
- Washbasin with fresh water
- Telephone
- Watermaker 180 lt./h
- GARAGE
- Access to systems area (door)
- Electric ventilation fan
- Electro-hydraulic garage door teak-laid on the inside
- Fibreglass anti-slip flooring
- Fire extinguishing system with sea water
- Hot/cold shower
- Neon lights
- Petrol gas detector
- Smoke detectors (2)
- Tender cradle with launching rails (tender max 4,30m, upon request)

Propulsion and control equipment

- Fibreglass underwater silenced exhausts
- Hydraulic bow thruster (58 Hp)
- Power-assisted hydraulic steering
- Shaft line transmission
- Stuffing box with dripless shaft seal, low maintenance
- ANTI ROLLING SYSTEMS
- Anti rolling gyro (ARG)
- Fixed interceptor
- Trim tabs (flaps)

Electronics

COMMUNICATIONS

- Input lines fixed up for SATCOM
- Internal telephones (8), cordless (2)
- Multifunction printer with fax
- Open Array Radar antenna

- Portable GMDSS VHF (2) (helm position)
- Shore socket (TV, telephone)
- SSB/DSC transceiver
- Telephone interface GSM/Voice/Fax
- Telephone switchboard
- TV antenna
- VHF (4) (2 helm position, flybridge, crew dinette)

MONITORING SYSTEM

- Air conditioning system fan coil monitoring and control
- Alarm, with database and current alarm, monitoring
- Battery and charge-battery monitoring (batteries, generators, shore power and electric panels)
- Bilge pump system monitoring
- Black/grey water tank level monitoring
- CCTV monitoring
- Flap position monitoring
- Galvanic isolation monitoring
- Generators, shore power and (3) PMS selection (helm station and systems area) monitoring and control
- Gyro stabilizer monitoring
- High and low fuel level and water tank level monitoring
- Lighting monitoring and control
- Monitoring system with (3) 15" touch-screen display in helm station, systems area and crew area):
- Navigation lights monitoring
- Outside doors and portholes monitoring
- Smoke detection alarm monitoring
- Water tank level monitoring
- Weather data monitoring
- CCTV SYSTEM
- CCTV image modulated in TV set
- CCTV video sequencer with 15" display (helm position)
- Closed circuit surveillance system with colour cameras (6)
- Day/night internal cameras (3) in engine room (2) and systems area
- External TVCC cameras (3) in the cockpit and side decks
- NAVIGATION
- Anti fog horn
- Automatic pilot control unit (2) (raised helm position, flybridge helm position)
- GPS antenna (2)
- Navigation instrument (Echo, log and water temperature) (2 raised helm position + 2 flybridge helm position)

- Navnet system 3D with colour 15" LCD displays (2) (48 n.m. radar, chartplotter and GPS, depthsounder) (raised helm position)
- Navnet system 3D with colour 8" LCD display (48 n.m. radar, chartplotter and GPS, depthsounder) (flybridge helm position)
- NAVTEX weather transceiver

Systems

FRESH WATER SYSTEM

- Dockside water connection
- Fresh water autoclave 400 V (2)
- Fresh water outlets for washing (2) (bow, side decks (2) and upper deck)
- Fresh water tank (3000 lt)
- Heating boilers (2) 150 lt + 150 lt 230 V
- Hot water circulating pump
- Water maker 180 lt/h

BLACK AND GREY WATER SYSTEM

- Automatic grey water discharge system (interchangeable with black water)
- Black water tank (850 lt.) with gauge (3/4 and full)
- Electric automatic pump for black water tank discharge (interchangeable with grey water)
- Electric WC with fresh water flush
- Gray and black water tanks washing system with sea water
- Grey water tank (850 lt.)
- Marpol discharge outlet for black water

FIRE EXTINGUISHING SYSTEM

- Fire hose outlet with sea water (at bow, (2) side decks, lower deck cabins lobby and crew area)
- Fixed fire extinguishing system in engine room with control from the systems area staircase locker
- Portable fire extinguishers located in each room/cabin
- Smoke detector system (in all cabins, galley, dining area, saloon, helm position,

garage, engine room, systems area

- and bow garage) with main alarm in helm position

AIR CONDITIONING

- Mediterranean air conditioning and boiler for winter heating

FUEL SYSTEM

- Pipes in compliance of the class requirement
- Racor double fuel pre-filters to engines (2)
- Separ fuel pre-filters to generators (2)
- Stainless steel fuel tanks (2) 12400 lt with decantor and discharge

ELECTRICAL SYSTEM

- Automatic battery charger 12 V (generator battery bank)
- Automatic battery charger 24 V (engine battery bank)
- Automatic battery charger 24 V (Radio battery bank)
- Automatic battery chargers 24 V (services battery banks)
- Automatic battery chargers 24 V for emergency battery banks
- Auxiliary generator starting battery 12 V (engine room)
- Battery bank 24 V for radio
- Battery bank 24 V for services (engine room)
- Battery bank for emergency 24 V (engine room)
- Battery disconnecting switches
- Battery disconnecting switches for emergency radio battery
- Cathodic protection with zinc anodes
- Copper strip ground system
- Distribution 24 V DC for emergency and navigation lights
- Distribution system 230 V / 400 ac 50 Hz triphase powered by the generators or by the shore power
- Distribution system 24 V cc powered by the service battery banks for helm station electronics
- Electric outlets 230 V throughout
- Emergency lighting system 24 V
- Generator battery banks parallel switch
- Generator set, auxiliary 40 kW with soundproof casing
- Generator set, main 40 kW with soundproof casing
- Glendinning (20 mt) 100 A 400 V 3 poles + ground

- Independent battery banks 24 V for main engines (engine room)
- Lighting system 230 V
- Main electric control panel and secondary panels (saloon, helm position, lobby lower deck, galley, crew dinette)
- Main engine battery banks parallel switch
- Main generator starting battery 12 V (engine room)
- Manual battery disconnecting switches for each generators
- Power management system with colour display (helm position, crew dinette, systems room)
- Transformer for shore power supply 70 KVA

BILGE PUMP SYSTEM

- Auxiliary electric pump fire extinguisher 24 V
- Auxiliary electric pumps (5) (accommodation space (2), garage, engine room, systems area)
- Bilge alarm in each compartment
- Centralized bilge pump system with 400 V electric pumps (2) and manual emergency pump with cock handles (7)
- (accommodation space (2), engine room, systems area (3), garage)
- Emergency bilge suction pipe (engine room) through engine cooling pumps
- Marpol connection for bilge oily water drainage

Safety Equipment

- Axe
- Child life jackets (2)
- EPIRB ACR GLOBALFIX
- First aid kit
- Housed life-rings (2), one with rope and luminous buoy
- Life jackets (22)
- Life rafts for 20 people (2 x 10)
- SART Transponder ACR PATH FINDER 3

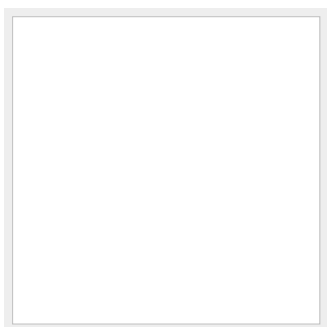

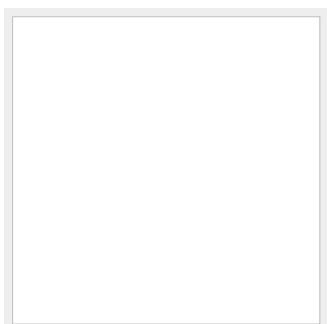

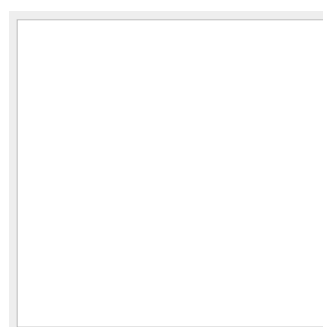

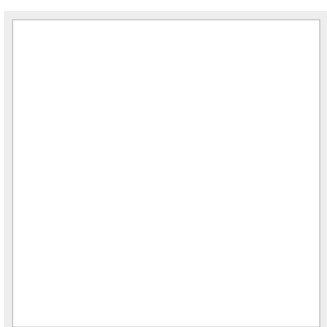

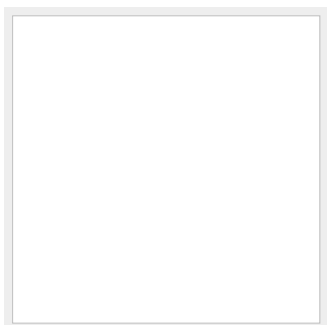

Exclusions

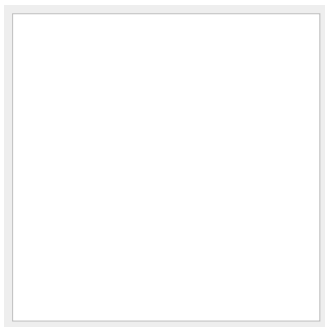

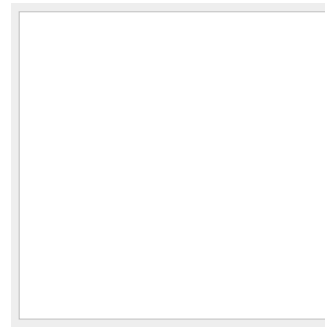

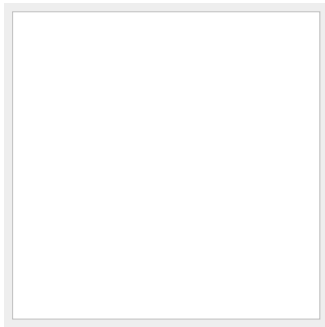

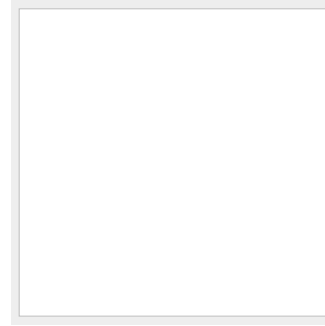

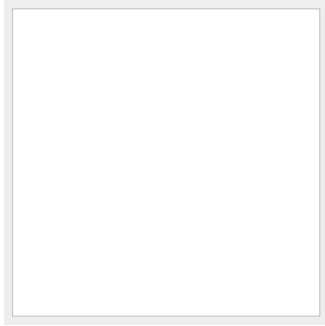

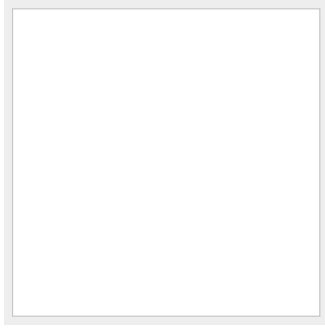

Owner's personal belongings.
