SPECIFICATIONS

Overview

This stabilized Krogen Express 49' has been well cared for and refreshed on a regular basis. WINTER'S DREAM is ready for a winter in the Bahamas with her 4' draft or summer in New England. Her mast is able to drop for a 16' bridge clearance so there is nothing holding you back from a voyage along the Great Loop. She is a comfortable live aboard with a great deal of amenities and upgrades. Although sorry to see her go, the owner is moving on to a larger boat. Detailed service/maintenance log and oil analysis results available. **WINTER'S DREAM is heading north to Point Pleasant, NJ for the summer.**

Basic Information

Model: 3116TA

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Accommodations and Features

Designed by James & Kurt Krogen, the Krogen Express 49 combines classic, timeless style with exceptional seakeeping and efficiency. Her plumb stem, raised bow, and broad beam forward allow her to slice through the waves with ease while providing a great deal of living space in her accommodations. Her low profile allows her to get under bridges as low as 16' and with a draft of just 4', she'll take you almost anywhere. Her semi-displacement hull delivers trawler efficiency at displacement speeds with true cruise capabilities in the mid-to-upper teens. And her generous keel provides stability and protection for her twin propellers.

Aft Deck

- Teak Cockpit table and chairs (2)
- Scandvik cockpit hot/cold shower
- Teak decking
- Swim Step w/non-skid
- Swim ladder
- Access to lazarette
- Emergency tiller access port
