Beam: 14' 0" (4.27m)

Max Draft: 4' 8" (1.42m)

Speed, Capacities and Weight

Water Capacity: 50 Gallons

Fuel Capacity: 500 Gallons

Accommodations

Total Cabins: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Volvo

Model: IPS 950

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Interiors

The all design is stunning and never seen before. Entirely designed by the team of Interior Design of The Italian Sea Group and its Art Director Gian Marco Campanino. The TECNOMAR EVO 55 design will be always well recognizable and will set a new trend within this sector; the exterior design almost breaks with anything you may have seen before, with large use of LED lights throughout the length of the yacht, following the new automotive logics; this almost creates an artwork at night, which, combined with the many sculptural details cloaking the yacht, such as the custom stemhead, makes this yacht equal to no other. The same logic continues and it's even more evident below deck, where the luxury found is normally typical of a superyacht. The 55 features an interior layout with a master cabin forward (with ensuite bathroom) and a convertible lounge (again with ensuite bathroom), which can be completely separated from the galley which is placed on starboard side. The all interiors feature subtle details and precious materials, which all together give a feel which is hard to explain and to match.

Manufacturer Provided Description

Galley

- Foster 2 burner top
- Miele convection microwave
- Siemens vent
- Stainless steel sink
- Frigonautica refrigerator
- KL 22 Icemaker

- Besenzoni passerelle

Exteriors

The yacht has plenty of large areas all dedicated to the pleasure of navigation, relax and sunbathing, either aft, forward and withing the cockpit, where the inlaid teak cockpit table finds place, as a true piece of sculpture. The deck forward is fulfilled with cushions and it gives a sunbathing area normally found on much bigger yachts.

Manufacturer Provided Description
