## Overview

---

"I One" is a beautiful Hatteras 54' MY sitting in the freshwater of Lake Monroe. Brought down last month from NC and the St Johns River, "I One" is in very good shape with a lot of maintenance done to her during the last haul-out. The Hatteras 54 Motor Yacht, a Hargrave design, was introduced in the mid-1980s to replace the Hatteras 53, which enjoyed a 20-year production run. The Hatteras 54 was a technologically advanced design with a modified-Vee hull, cored topsides, prop pockets and a modern look to go with luxury amenities. Powered by twin Detroit Diesel 8V-92TA 735hp engines with approximately 2500 hours, she is up to date with maintenance. Recent maintenance from 2015 haul out include: Bottom paint, anti-fouling paint on running gear, engine raw water hoses replaced, all thru-hulls removed, inspected, cleaned and replaced if needed, all pickup screens removed, polished and coated. Both shaft seals along with rudder posts have been pulled with all packings replaced. Gorgeous looking Boat and is priced right, owner is looking for offers
