PRICE REDUCTION!!!!

Feb.7,2018- Price reduced to \$299,000. This 2016 Bavaria Coupe has just over 100 hours on the engines. She is like new inside and has been professionally maintained since the day she arrived in the US. Since arriving she has received an upgraded A/C system, upgraded bilge pumps with an upgraded 46 pound Ultra anchor designed for a yacht much larger than 36 feet.

The Volvo diesel 220HP diesels with Joystick control make this yacht very easy to maneuver and a pleasure to own. Best of all, the aft doors are very easily closed so when it is time to head home from the dock there is no canvas to deal with!
