Broker's Comments

Rasselas exemplifies the quest for the perfectly proportioned motor yacht design with elegantly sweeping sheer and signature transom that features a "Cabana room" behind a hydraulic swimming platform hatch. At 52m she delivers a generous 680 GT volume with 5 extremely comfortable owners and guest staterooms and generous crew accommodations for 13. Port and starboard boat deck storage bays for two large tenders means she does not require a towed tender allowing her to be completely self-reliant for extended blue water cruising. RASSELAS' exterior and engineering are the work of the esteemed De Voogt Naval Architects, while her traditional and elegant interior was designed by world renowned John Munford. A flexible cabin layout includes a master suite, two VIPs and two twin cabins to comfortably accommodate 10 to 12 guests in complete luxury and privacy. It is hard to imagine a more comfortable and appealing Feadship in this size to cruise the world with family and friends.

- Finest of the classic Feadships available for sale
- 2016-2017 full interior refit and new teak decks
- Immaculately maintained
- Quantum Zero Speed Stabilizers retrofitted in 2009

- 5,000 nm range at 12 knots
