SPECIFICATIONS

Overview

We are proud to represent this Jeanneau 53 performance version having just completed a mini refit and we highly recommended appointments to view. Launched in June 2010 she has the three cabin layout with owners suite fwd and is fully optioned with low machinery hours. Since new she has been used lightly around Phuket and Malaysia with owner and his friends she has never been chartered. Very easy to manage with the bow thruster and electric halyard winch it is easy to forget she is a 53ft yacht and can be operated by two. Great yacht for a family looking to do some island and coastal cruising or club racing, alternatively she would be hugely popular in the charter market as well. The owner is keen for a quick sale so please contact for further details.

- Bow thruster
- Raymarine instrumentation inc radar and chartplotter
- Performance package
- Generator
- Air Conditioning
- Upgraded sails including spinnakers
- Professionally maintained since new
- Full boat awnings
- Soft bottom tender with outboard
