## Vessel Walkthrough

---

The 459 meridian has a great layout for entertaining or long term stays aboard. The salon is very large with large sofas on both port and starboard sides with an entertainment center aft and mid-level galley forward to port. There is ample storage and shelving throughout for storage and decor. The guest stateroom is forward with an island berth, plenty of storage and private access to the forward head with stall shower. The master stateroom is aft with an island berth set athwartship. The master has a private access to the aft cockpit through a sliding glass door. The head and shower are separate with a vanity between. There is good storage under the berth and in hanging lockers.

The exterior features a large cockpit allowing access from the dock at multiple levels, a small aft deck area features bench seating, a wet bar and ice maker as well as a full enclosure with wing door. Access to the flybridge is up a couple stairs on the port side and features wrap-around bench seating with jump seat to port of the helm, and a very well equipped helm station with pilot helm seat. There is a refrigerator to port and the flybridge is fully enclosed with a Bimini top. The aft deck area features a hardtop.
