SPECIFICATIONS

Overview

The largest Bahamas-friendly superyacht on the market. SKYFALL is 57.91m / 190' of sleek engineering teamed with timeless interior design and smart cruising features.

With a draft of only 8'6", a top speed of 21 knots and a maximum economical range of 4600nm, she combines true ocean going capability with the versatility of reaching those shallow secluded bays and marinas that are impossible for most yachts of this size.

Built in 2010 and extensively refitted in 2015 and again in 2018, SKYFALL is in a class of her own with elegant interiors by award winning designer Patrick Knowles and flexible accommodation for up to 17 guests in 7 staterooms including the panoramic master suite complete with private office, full beam VIP suite and 5 guest staterooms when using the gym as an additional stateroom (it converts). When being chartered she can accommodate 12 charter guests.

On the main deck there is a spectacular wine cellar leading to the main salon and dining table and on the upper deck a panoramic sky lounge and air conditioned exterior deck. The sun deck completes the incredible layout with a vast expanse of deck including a bar, hot tub, pool and touch and go capable helipad.

SKYFALL's experienced owner has ensured that she is the optimum megayacht, with further features including; wheelchair access to all 3 decks via an elevator, upgraded zero-speed stabilizers, convertible gym and extended engine warranty.

This is the ultimate opportunity to own a stunning 57.9m/190' megayacht without the long build time of new construction. She truly is a world class mega yacht!

DETAILED INFORMATION

Introduction

Step aboard Skyfall and prepare to be amazed! Notable features include a sumptuous split level master suite with his and hers baths offering 270 degree panoramic views, a full beam VIP suite, 4 additional staterooms, an elevator, gorgeous sky lounge, a gym and ultra comfortable living area. The on board gym can also be used as an additional seventh guest stateroom if needed. When utilizing the gym as an additional stateroom and while in private use, the yacht can sleep 17 guests.

Charter friendly with a proven track record Skyfall 's guest amenities are highlighted by a plunge pool, large Jacuzzi, hot tub, multiple water toys nestled in a garage which doubles as a beach club, with deck space and interior volume that rivals a 220 foot yacht. While on charter the yacht is only allowed to sleep 12 guests.

Bahamas friendly draft of 8'6", helicopter touch and go capabilities, 4600 NM range, and 21K top speed are all the ingredients necessary to explore remote coves, the open ocean and marina life with ease. Many yachts this size would not be able to get into the shallow waters that SKYFALL is able to explore.

Skyfall is maintained with a true open checkbook policy, was treated to an interior refit recently, and is priced appropriately at \$31,500,000.

SKYFALL has a contemporary and luxurious interior, finished in Honduran Mahogany, Maple Burl and Wenge, designed by the award winning Patrick Knowles, allowing for an elegant, yet comfortable atmosphere. She can accommodate a party of 17 in seven state rooms, if the gym is utilized as an additional stateroom instead of an onboard gym.

Highlights

Extended warranty on engines through 8/2020 New Props (2) New water makers installed in 2018 'Touch and go' helicopter capability New paint 2014 New bottom paint 2018 New teak patio furniture with colorful throw pillows installed in Feb. 2018 Three deck 'wheel chair capable' elevator including a wheelchair friendly stateroom Stunning splitlevel, full beam master stateroom with 270 degree Panoramic windows Gorgeous full beam VIP suite Five additional guest staterooms to sleep a total of seventeen if utilizing the gym as a 7th stateroom Convertible gym/guest stateroom Jacuzzi and Pool suitable for children Huge 3707 square feet of external deck space Air conditioned sky lounge aft deck Over 7200 square feet of internal volume Stunning wine cellar- rebuilt and serviced in 2018 State of the art systems and engineering Gorgeous Patrick Knowles interior that is the epitome of understated elegance and sophistication,
