## Overview

---

Designed by Bryan Perry and Tony Grainger the Perry 43 became Boat of the Year when she was first launched and has since had somewhat of a cult following within cruising circles. This particular Perry 43 has the same ownership for the last 9 years and her overall condition is a credit to their hard work in maintaining her to their high standards. She is a 3 cabin layout with owner on the port side with huge ensuite and shower aft. The long galley is in the strb hull but still very social with the saloon and cockpit. There are two double cabins fore and aft on the strb side as well. The cockpit is very spacious with the helm situated port side with good visibility through the opening in the hard bimini. Large transom steps make getting in and out of the water easy and the electric davit winch make launching the 3.8m tender a breeze. Easily sailed by a couple with the help of an electric halyard winch she is a very safe boat to manage and sails very well for a bluewater cat. She has factory fitted options such as generator, air conditioning, water maker, electric toilet, etc to make your life on board as enjoyable as possible.

- 3 cabin owners version layout
- Air conditioning
- Electric halyard winch
- Yanmar 3JH3E 20 hp with sail drives
- Autostream folding props
- Westerbeke 6kva genset
- Raymarine electronics ‘
- Watermaker
- Radar
- Electric toilet
