Fuel Type: Diesel

DETAILED INFORMATION

ACCOMODATIONS

The 92 Viking 'Timeless' is one of the finest examples of the 92 fleet. One of the most experienced yacht owners in the US, along with Viking, created the most well thought out and well equipped sportfish yachts available today.

A salon and galley that rivals that of motor yachts in 100' range. A pair of leathers sofas to port and club chairs to starboard with high gloss walnut coffee tables in between create a comfortable space when lounging or watching the pop up 65' LCD TV. Forward from the salon is formal dining for 6 across from an expansive galley equipped with Miele appliances, including a wine fridge, and a bar top with five custom stainless chairs surrounding the galley. A day head is just forward of the formal dining and opposite an additional crew quarters and storage.

Stepping down to the lower passageway there is a laundry room to starboard with separate washer and dryer. Opposite is a Captains/guest cabin with separate head and shower.

Heading aft down stairs you arrive in the full beam master stateroom. Hull side windows provide excellent natural light not often found in the master of a large sportfish yacht. A king size Sleep number bed lies centerline and can be adjusted to provide the perfect sleeping angle when underway. A 65" Samsung TV is installed on the bulkhead next to a large walk in closet with safe. His and her heads with a large shared shower are just aft, to port is a large sofa and to starboard is a vanity/desk.

Three more guest staterooms are forward, each with en suite head and separate showers. Below the lower passageway, there is access to a mechanical space that houses A/C systems and a large capacity for storage.

Electronics

- Five (5) KEP 21"/ 22" glass bridge displays
- Furuno NAVnet 3D processor
- Garmin GPS Map 8530 plotter
- Furuno 25kW/96 NM radar
