SPECIFICATIONS

Overview

The KINNSHIP is one of the best Chris Craft aluminum ROAMERS ever created it has 4 staterooms with sleeping for 8 in beds. The KINNSHIP is a perfect live-aboard and great loop cruiser! It is a rare Chris Craft low profile design allowing for optimal cruising without many bridge openings. KINNSHP is one of the most comfortable vessels of this size that I have ever been aboard, it has full size appliances in the galley and easy access to the engine room. KINNSHIP is truly a special yacht and is always the talk of the dock! Please don't hesitate to come and see this boat if you are a classic yacht fan you will not be disappointed.

Hull and Deck Information

Hull Material: Aluminum

DETAILED INFORMATION

Walkthrough

Stepping aboard from the starboard entrance gate you walk forward to the large foredeck with a very large built-in bench seating and ample room for deck chairs alike. Continuing around the generous walkaround side decks you will find the open-air aft deck. The open-air, covered aft deck makes for best spot on the boat. It has teak decks, lounge style teak seating and a teak dinner table that seats six. Moving forward you enter the climate-controlled Pilot House with large comfortable bench seating with opening windows. Down a few steps you enter the saloon. The saloon boasts modern furnishings with an L shaped sofa with storage and optional trundle bed, barrel chair, and a computer/writing desk with stool. Forward of the Saloon down a few steps is the galley. On the starboard side you have the galley with modern appliances and double sink. To port you have a large built-in settee with seating for six and built-in storage below. Just forward of the galley is a bunk cabin and head to starboard. Aft of the Saloon down a few steps are three guest cabins and two heads. Immediately to port is the side by side twin cabin with large cedar lined hanging locker. To Starboard is the guest head with shower. Moving aft is the entrance to the Master cabin. Just inside the door to the Master cabin, to starboard is the entrance to the 4th guest cabin with crisscross bunks, a chest of drawers and a small hanging locker. This cabin is ideal for children or it could be used as an office or walk-in closet. The master features a centerline king berth with storage drawers below, along the port side is a generous hanging locker. The master head has a tile shower with bench, vanity and Techma marine head.
