SPECIFICATIONS

Overview

2016 Cobalt R7 WSS with 430 HP Volvo Penta Ocean X sterndrive. The beautiful navy blue hull sides combined with the rakish stainless watersports arch, sets this model apart from all others. This model is designed for all water sports activities and has programmable modes for variable tow speeds with auto glide trim tabs. This vessel features a fully enclosed head, and a walk through windshield with plenty of bow seating available.

The fold down swim step on the platform allow for easy access from the water and adjustable seating on the sunpad provides comfortable seating or sun bathing. The swim platform and the entire cockpit floor is covered with Marine Mat for long lasting durability, protection and style.

The 430 HP Volvo Penta provides outstanding performance and capability to pull wake boarders and skiers with ease.

The superior quality is apparent throughout the entire vessel with high grade upholstery and top of the line fixtures. The famous Cobalt hull with it's Kevlar reinforced keel is solid and durable.

Manufacturer Provided Description

Designed for the wide-open, all-out adrenaline junky in all of us, the refined and versatile Water Sport Series is fully prepared for you and your demands of large, predictable wakes. Wakes that bring out the passion for flight, wakes that live inside every water sports enthusiast.

Fused with the intrinsic DNA of traditional Cobalt models and the wakeboarding advantages of a sterndrive, we present to you the Water Sport Series. WSS stands for everything that's fun on the water! Flexibility of speed when you need it, and power when demanded, the WSS delivers day in and day out. Now you hold the power to adjust wakes with the touch of a trim switch, giving both captain and boarder complete flexibility. What's in the name of WSS?

Water Sports Tower Choices with Bimini Top They are solid, sturdy and pro-athlete strong with life-long good looks, heavy-gauged anodized aluminum and stainless steel, precision-machined billet fittings. The WSS towers and arches are designed with integrated billet board racks for your favorite boards and with a flip of a swivel-lock, swing the racks inboard for easy access. And we can't forget the optional tower lights, and driver's rear-view mirror, and directional speakers with 360 degree flexibility, well,

you see this is not just another wakeboard want-to-be.

Exterior Graphics Our Design Your Dream tool has thousands of color combinations to create your own masterpiece. All showcased by the chrome WSS hull emblem and a WSS badge at the transom. Customize your Cobalt simply because – you deserve it.

Interior Styling WSS customization continues inside with finishing touches that include WSS badging and a choice of color-matched piping complimented by our champagne vinyl, an offering exclusive for the WSS. Finally, the dash panel is highlighted in a carbon tone for the finishing touch.
