## Overview

---

**"SeaYa XI" is an exemplary example of what this classic seaworthy cruising cutter can be. She is outfitted to the hilt, with everything one could want for cruising.** Her teak decks have been replaced with synthetic teak decking, she has had many electronic and mechanical upgrades, and her owner has kept her in tip-top condition. From her beautiful tan-bark main to her sweeping lined and roomy, comfortable interior, this lady is exceptional.

## Accommodations & Broker's Notes

From the moment you step below into this boat's cabin, you are met with luxury. Her teak joinery and attention to detail, which is evident in the marble galley countertops and brass fixtures on the sink in the galley, speak volumes on the craftsmanship of these boats. There is nothing else out there like a Hans Christian.

The galley is to port, and is U-shaped but with plenty of room to move around and prepare meals. The spacious refrigerator and freezer are both top- and side-loading, and the double

stainless sinks and large countertops offer ample room for food preparation.

Aft of the galley is a private cabin with a double bed to port and a quarter berth which has been converted to storage and a locker for the genset is located to starboard.

The nav. station is large and comfortable, with plenty of room for paper charts as well as modern tools. Forward of the nav. station, the salon includes a large dinette to port and a comfortable settee to starboard. 6 or more could easily dine in the salon! The entire boat is wired with BOSE speakers--just one of the many ways that she has been equipped with the top of the line in everything!

Her head is elegantly tiled with a separate stall shower that provides space and its own built-in storage. The forward cabin is equally spacious, with a hanging locker and more-than-ample storage.

This boat is special! Call me today!
