DETAILED INFORMATION

60' Hatteras Motor Yacht SEA GOALS

60' Hatteras Motor Yacht SEA GOALS

- **MAJOR PRICE REDUCTION! LOWEST PRICED 60' HATTERAS MOTOR YACHT ON THE MARKET!**
- **SEA GOALS provides a fuel efficient slow cruise or safe & comfortable fast cruise - 10kn cruising speed while burning only 12 gal/hr!**
- **Hatteras soft ride, solid fiberglass bottom**
- **Large engine room for easy access to all components**
- **Replaced AC in flybridge and master stateroom along with stacking washer/dryer**

Overview

To port, going forward, a spiral staircase leads up to the open flybridge. Forward of the staircase is a light colored, upholstered, circular settee and dinette table with Brazilian countertops with Mahogany cabinetry. Going down the companionway, you will see the master stateroom is found through a Mahogany entrance door. Here the full beam master has a king mattress with plenty of storage underneath. Four large portholes on the port and starboard side of the hull allow plenty of light in. A dresser and nightstand on each side of the bed with a vanity gives ample storage. The master head has two sinks that sit atop the granite countertop and compliment the Mahogany cabinetry. A full size shower with sliding glass doors gives this spacious shower an incredibly open feel. The port guestroom has twin criss-cross berths. The VIP is located forward in the bow and features the queen size tapered berth and mahogany cabinetry. The open flybridge has all the necessities available with a large L-shaped sofa and custom-designed teak table. A refrigerator and A/C makes this a perfect place to enjoy the day. Easy access to the side decks measures 13 inches allowing access to docking and line handling. Forward you'll find access to storage lockers, located port and starboard sides and a molded-in bench seat on the bow deck. Starboard side, midship is a boarding door for easy bow-in docking.

Aft Deck

- AC duplex outlet
- DC lighting in hardtop

- Molded fiberglass steps with lights to sport deck, port and starboard
- Molded fiberglass with non-skid sole
- Welded and polished stainless-steel three panel door (two sliding panels) to salon
- Hardtop
- Molded bench seating with cushions and cover
- Molded seat with storage underneath
- Access hatch to utility and engine compartment
- Welded and polished stainless-steel handrails to side decks and transom
- Fiberglass stairwell from aft deck to bridge deck with hatch and storage below
- Owner supplied stereo equipment, aft deck: Niles Multi-zone system with speakers, LCD touch-screen control panel in salon controlling source, volume, and zone on flybridge, salon and aft deck; Wireless RF system remote control with the ability to control source, volume, and zone; ability to have simultaneous music playing from 3 different sources: iPOD, XM, HD Radio
- Aft deck cushions
- Aft deck table, teak
- Aft deck rear-view camera, Ray Marine

Salon

Entrance to the salon is through a three-panel sliding door framed in stainless steel. These panels stack to port to allow for an extra-large opening between the salon and aft deck for easy maneuvering. The salon features a large sofa to port and a smaller settee starboard, with storage underneath and behind the lounges. There are oversized frameless windows that provide a panoramic view.

- Carpeting - updated 2013
- Padded panel headliner
- Welded and polished stainless-steel three panel door (two sliding panels) to aft deck
- Step to galley
- Fixed frameless windows with tinted safety glass
- AC and DC light fixtures
- AC duplex outlets
- Two sofas with storage
- LG 42" 1080P flat-screen television - 2014
- Air conditioning
- Carbon monoxide detector
- Smoke detector
- SMX HVAC compartment controlled
- Salon blinds, Hunter Douglas
- Salon custom fixed roman shades
- Direct TV High Definition satellite receiver

Galley/Dinette

A single step up from the salon leads to the galley and country kitchen. The U-shaped galley features Brazilian granite countertops and back splashes for a long-lasting durability and good looks. An upright refrigerator and freezer provides for expanded cold storage, while a cooktop, convection/microwave oven and stainless-steel sink make you feel at home while preparing a meal. Custom-designed cabinetry with a rich mahogany satin finish provides a luxurious feel and plenty of storage. To port, a large circular dinette gives the feel of a country kitchen found on larger motor yachts and provides seating for six. Situated just aft is a stainless-steel ladder leading to the bridge above, a feature that you will not find on other boats within this size range.

- Island sink and dishwasher
- Amtico flooring
- Padded headliner
- Pantograph door to starboard side deck with lock
- Welded and polished stainless-steel steps with treads to flybridge
- Dinette with storage underneath and Brazilian granite table with stainless-steel pedestals
- Brazilian granite countertops with sink and storage cabinets made of finished mahogany wood with a satin finish
- Smoke detector
- SubZero upright refrigerator and freezer with wood doors that match the satin african mahogany interior with icemaker
- AC ceramic cooktop
- GE Stainless Steel Microwave/convection oven
- GE One-half hp continuous feed garbage disposal
- GE Stainless Steel dishwasher
- Stainless Steel trash compactor
- Full-size washer/dryer, lower companionway

Master Stateroom

This boat features a true full-beam master stateroom with a king-sized berth, vanity to starboard and large fixed port lights, allowing light from the outside.

- Padded panel bulkheads
- Carpeting updated Karstan 2013
- Wood valance with duette shades
- Polyfoam mattress, spread, throw pillows, pillows, pillow shams, mattress pad and sheets
- Two vertical Port lights, port and starboard
- Twin cedar-lined wardrobes with doors and automatic lights

- Nightstands and dresser with drawers' port and starboard
- DC low-level lights under berth
- SMX HVAC compartment controlled
- Toshiba 32RV530U 32" 1 080P flat-screen TV
- Onkyo surround sound receiver
- Direct TV High Definition satellite receiver
- Triad In-Wall Power Subwoofer with 250 watt Rack Amp
- Polk Audio surround sound speakers

Master Head

- Private entrance through hinge door leads to granite countertop with two sinks
- Over-sized shower with tempered-glass sliding door
- Amtico flooring
- Padded panel headliner
- Wall covering
- Solid-surface countertop with backsplash, side splash and two sinks Baseboards
- Stall shower with sliding glass door and automatic sump pump
- Storage cabinet with mirror above sink
- Base cabinet to match interior finish with storage and bowed fronts
- Freshwater HeadHunter
- 120-volt AC air freshener blower

Guest VIP Stateroom

- Queen-sized tapered berth that lifts on pneumatic cylinders to reveal cedar-lined storage below
- Cedar-lined hanging locker with door and cabinets to port and starboard for additional storage
- Upholstered berth base
- Polyfoam mattress, spread, throw pillows, pillows, pillow shams, mattress pad and sheets
- Screened overhead hatch with privacy cover
- LG 23" flat-screen - 2014
- Carpet - updated 2013
- DirecTV high definition satellite receiver

Guest Head

- Amtico flooring
- Solid-surface backsplash , side splash and countertop with integral sink

- Stall shower with door and automatic sump pump
- Towel bar
- Freshwater HeadHunter

Guest Stateroom - Port

- Carpeting - updated 2013
- Crisscross berths with storage under lower berth
- Polyfoam mattresses, spreads, throw pillows, pillows, pillow shams, mattress pads and sheets
- Cedar-lined hanging lockers with door and automatic light
- Samsung 23" HD flat-screen TV
- DirecTV HD satellite receiver

Flybridge

- All enclosure replaced with E-Z To See - 02/2017
- Molded Fiberglass Bridge with A/C outlet
- 203-square-foot flybridge , including boat deck
- Tinted, curved acrylic windshield with stainless-steel frame
- Control station with all necessary switches and dimmable lighted instruments
- Radar arch with masthead light and anchor light
- Compass with dimmable light
- Single-lever clutch and throttle controls (electronic) with engine synchronization CAT controls
- Hydraulic power-assisted steering
- Adjustable helmsman and companion seats with covers (Pompanette)
- Lounge with Sunbrella covered polyfoam cushions, covers and storage below, port
- Hinged door to pilothouse with interior stairwell
- Stereo speakers
- Storage cabinet and molded countertop
- Welded and polished stainless-steel step with wood treads from bridge to galley
- Molded-in stairs to aft deck
- DC low-level lights
- Neutral interlock switches allowing engine to start in neutral only
- 24-volt DC distribution panel
- Flybridge, refrigerator/icemaker combo unit
- Flybridge table, solid surface
- Air conditioned
- Hardtop option by Pipewelders
- Davit, 1000 pound, hydraulic w/manual rotation

- Owner supplied stereo equipment, flybridge: Niles Multi-zone system with speakers, Color touch-screen control panel in salon controlling source, volume, and zone on flybridge, salon and aft deck; Wireless RF system remote control with the ability to control source, volume, and zone; ability to have simultaneous music playing from 3 different sources: iPod, XM, HD radio
- High Seas technology custom electronics package
- High Seas technology Wifi Ethernet converter and wireless call AMP & antenna

Engine Compartment and Bilge

- Large, 7' headroom engine room for easy access to all equipment
- Water manifold with centralized shut-off valve for sinks and showers
- Pultruded fiberglass rudder shelf with stainless-steel rudder tie bar
- AC fluorescent lights
- DC lights
- DC ventilation blower - Delta T systems
- Twin diesel, freshwater-cooled main engines with electrically controlled marine gears, neutral interlocks, exhaust silencers, engine hour meters, alternators, fuel filters and seawater strainers
- FM200 fixed fire extinguishing system for engine compartment with automatic and remote manual controls, plus audible and visual discharge signals
- One Caterpillar 21.5 kW freshwater-cooled Electronic Quiet Diesel generator with shock mounts, sound enclosure, seawater strainer, remote start, fuel/water separator, hour meter and water lift muffler
- Fiberglass air intake system for engine room and engine combustion air with baffling and filters to minimize water intrusion
- Polyethylene water lines
- Freshwater fill hose for engines and generator
- Dockside water inlet with pressure regulating valve and Hatteras patented quick disconnect
- 24-volt DC bilge and sump pumps: two at 2000 gph and three at 3700 gph, with heavy-duty float switches and protective guards
- Bronze/chrome ball-valves through-bolted in solid fiberglass on all underwater through-hull fittings with electrical bonding throughout
- Pressurized 230-volt AC freshwater pump with central charcoal filter (2)
- Aluminum fuel tank
- Polyethylene water tank
- Polyethylene sewage holding tank with 24-volt DC sewage pump, plumbed for dockside pump-out with 3/4 full display and alarm as part of systems monitor programmable logic controller
- Sealed shower sump, one each
- Electric fuel priming pumps, 24-volt DC, engines
- AC distribution panel

- DC distribution panels
- Gel coat finished engine room and bilges
- U.L. Marine approved fuel lines
- Discharge sea chests
- One-inch stainless-steel steering tie bar with pivoting self-aligning ball joint connection at all cylinder and tie bar connections
- Insulation in deck
- Pick-up sea chests (each side)
- DC voltmeter in battery panel
- Start and stop switches and hour meter
- Air conditioning back up sea water pump, plymbed & wired (2)
- Generator exhaust water separator
- Polyurethane painted engine room
- Stand-up lazarette with storage
- Oil changing system engines/gears/generator
- Fuel fill - port and starboard
- Engine room camera - Ray Marine
- Forced Air induction system from aft deck

Hardtop/Electronics Navigation

- Ladder for access to arch
- ICOM 604 VHF/Digital Antenna Rupp Mount (2)
- Furuno R030 Digital Depth/XDucer
- GARMIN GMI10 Marine Instrument Display (2)
- Garmin 15" Displays/GPS Plotter/Radar/Sounder (2)
- Garmin: GSD22 Remote Digital Sounder Module
- Garmin: GDL 30A Marine Weather/Audio SAT Receiver
- ICOM: M604 VHF Radio (2.)
- Newmar: PA-30/20 Hailer Deck Horn
- Simrad AP2803 Basic Autopilot System
- KVH: Tracvision M5 US SAT TV System
- ACR: RCL-100D 24V Remote Control searchlight
- ACR: Globalfix 406 EPIRB CAT I
- WIFI
- Wireless Cell AMP
- Ward electric step-up voltage booster
- AirMar depth and temperature, sounder and transducer - 02/2018
- CAT CMPO engine display

Electrical System

- Hatteras is known for their attention to detail, and wiring is one of their strongest points. All wiring is tin-coated and sealed in an insulation jacket. Wiring harnesses are tie-wrapped every 6 inches and secured every 18 inches with easy access.
- Wiring is color-coded and numbered at both terminal ends, and is well documented in the owner's manual. Go one step further to find their attention to detail in placement of dual light switches on both ends of the salon and companionway for
- convenience. Something you'll miss on other brands.
- 230-volt AC 20-gallon electric water heater
- Two 24-volt banks of heavy-duty, 12-volt marine batteries (4) mounted in fire-retardant fiberglass boxes
- U.L. 1426 listed boat cable, tin-coated with insulation
- Gel/lead acid compatible 240-volt automatic programmable battery charger, 50/60Hz
- Automatic battery paralleling system with switch at control console
- Two 240-volt, 50-amp, transformer-connected shore cord inlets with over-current protection, sport deck
- AC and DC light fixtures
- Battery control panel with fuses and isolation switches
- DC electronics panels with magnetic circuit breakers
- AC distribution panels with magnetic circuit breakers
- AC switching panel with source selector switches, volt meter, ammeter, frequency meter, generator start/stop controls, and interlock selector breakers
- Systems monitor with programmable logic controller readout, visual and audible signals for exhaust temperature, high bilge water, fire warning in engine compartment, fire extinguisher discharge in engine room, AC power loss, smoke detectors, carbon monoxide detectors.
- Navigation lights, U.L. certified to United States Coast Guard and ABYC specifications
- Ground fault protection on AC receptacles and lighting circuits
- Air conditioning, 62,000 BTU, with reverse-cycle heating
- Telephone/CATV inlet, one each, starboard sport deck
- Telephone and CATV shoreline cord, one each
- TV antenna, omni-directional
- Retractable shore cord in lieu of fixed inlets,(2)

Exterior Finish/Construction

Each Hatteras provides for a solid glass hull bottom, with beefy support for key areas like the tunnel, shaft long and strut locations. This 60' Hatteras features Alexseal paint providing a much deeper gloss than most paints.

- Isophthalic gelcoat, exterior layer, white

- Blister-resistance vinylester resin in hull bottom skin coat
- Polymer/copper-based anti-fouling bottom paint
- Boot Stripe
- Decks, non-skid, gel coat surface
- Solid fiberglass hull bottom
- Hull sides & superstructure laminated with PVC foam core
- Resin-infused fiberglass stringers
- Steel laminated in stringers at key locations to bolt engine mounts
- Engine room bulkheads and decks of resin-infused composite construction using PVC foam core with layers of fiberglass laminate on each side.

Hardware & Miscellaneous

- MarQuipt 6-step stairway boarding ladder with storage case
- African Mahogany satin wood interior
- All hardware polished chrome with brushed chrome in galley
- 60-pound plow anchor, anchor line and deck hawse pipe
- Windlass, Maxwell RC10 with 25 feet of acculoy hot-dipped galvanized chain and 300 feet of rope with deckmounted control switches
- Bow thruster, 26-hp electric
- Two polished stainless-steel springline cleats with chafing strips, through-bolted in aluminum backing plates
- Bow and stern polished stainless-steel cleats, through-bolted in aluminum backing plates
- Welded and polished stainless-steel rails on bow, side-deck and flybridge, drilled and tapped in aluminum backing plates
- Fog bell
- Dual air/electric horn
- Zincs on rudders and shafts
- Bow and stern staffs with ensign and pennant
- Black braided mooring lines (6)
- Alloy 22 high-strength propeller shafts
- Manganese bronze dripless rudder seals
- Dripless shaft seals
- Life jackets (6)
- Life ring
- Portable "drychem" fire extinguishers (6), U.L. approved type in compliance with United States Coast Guard and ABYC standards
- Stainless-steel trim tabs
- Integral manganese bronze struts and Alloy 22 HS shaft with zincs
- Bronze rudders
- Propellers, Nibral high performance, 6 blade
- MarQuipt sea ladder with storage brackets

- Walk-around side decks
- Seat on bow deck
- Holding tank with sewage pump and overboard discharge
- Black fenders (3)
- Deck plates for fuel and water fills and waste pump-out
- Heavy-duty bronze engine couplings
- Engine exhaust exits through hull side near transom

Exclusions

Owner's personal belongings.
