DETAILED INFORMATION

2007 35 Cabo

This 35 Cabo flybridge is a very nice, clean boat with electronic controlled engines. She is ready for fishing or cruising. Two stateroom layout with Teak and Holly flooring throughout.

ACCOMODATIONS

Solid teak woodwork throughout is elegant and durable with carefully crafted cabinet doors. The salon provides a perfect environment for relaxing or entertaining in elegant comfort. Five can dine comfortably at the starboard settee, and there is additional seating located portside, aft of the galley.

In the galley, Corian counter tops and sink, twin burner cooktop, large refrigerator, and convection microwave oven. There's access to storage beneath settees and behind bulkheads.

In the master stateroom is a double island berth on centerline with easily accessed dry storage areas below. A spacious head with separate stall shower is aft to starboard. Two additional single berths are located portside in the guest cabin.

The cockpit is 130' and has a 50 gal bait tank located in the transom to save cockpit space.

A tournament style flybridge features electronic controls, easy to read analog engine instrumentation, large console for electronics, helm and companion seats plus a forward bench seat with storage below.

MAIN CABIN

The salon and galley provide hand-selected teak wood. The optional teak and holly floor provide for a luxurious finished detail.

- AC duplex outlet/GFI protected
- Access hatch to bilge
- Air conditioning/heating, 16,000 BTU, full interior
- Teak and Holly flooring
- Dining table, teak, double pedestal
- Entertainment center, built-in
- Fabrics and coverings, fine selection throughout
- Interior wood, teak, satin finish
- Latches, positive, cabinet doors and drawers
- Lighting, recessed halogen

- Mini-blinds, custom, throughout
- Salon windows, fixed, tinted
- Settee, starboard, converts to double bed
- Settee, port
- Stereo, AM/FM/CD/DVD, speakers (2)
- TV, flat screen
- VHF ICOM M422

GALLEY

The galley features an abundance of storage with under counter refrigeration, two burner cooktop and Corian countertops with molded in sinks. Adjacent to the galley is a U-shaped settee easily viewing the TV with coffee table.

- AC duplex outlet/GFI protected
- Cook top, ceramic, two-burner, recessed with Corian cover
- Corian countertop with custom Corian sea rails
- Latches, positive, cabinet doors and drawers
- Sharp Microwave/convection oven
- Refrigerator with top freezer, AC/DC
- Sink
- Storage, compartments and drawers throughout
- Under cabinet lighting

TWO STATEROOMS

The forward stateroom features a walk around queen berth forward with drawer storage underneath. Cedar lined hanging and storage compartments as well as rod storage above to port and starboard. To port, over/under berths provide additional accommodations.

- AC outlet
- Access to anchor rope/chain locker
- Berth, double, island style, 5" mattress, bunk cover
- Foredeck hatch with retractable shade
- Latches, positive, cabinet doors and drawers
- Lighting, recessed halogen
- Locker, hanging, cedar-lined, port
- Storage, compartments and drawers below bed
- Storage, rod lockers (2), with horizontal rod racks
- TV, built-in, Master

HEAD

Like all Cabos the head is nicely contained and features a stall shower with Corian countertop and undermount sink.

- AC duplex outlet/GFI protected
- Air conditioning/heat vent, adjustable
- Corian countertop, custom
- Exhaust blower
- Head, Sealand Vacuflush, electric
- Holding tank monitor system
- Lighting, recessed halogen
- Opening port
- Shower stall, separate
- Toiletry storage cabinet, Corian-framed with sliding mirror doors
- Towel rack
- Vanity, custom, with storage cabinet

FLYBRIDGE

The flybridge helm has twin helm chairs and seating forward. This boat is equipped with a fiberglass hardtop and three sided enclosure.

- Bench seat, forward of console, cushions and storage
- Bridge ladder and safety rails to match deck rails, custom welded
- Coaming padding, forward of seating area, high-density foam, vinyl covered
- Compass, with light, flush-mounted
- Configuration, tournament-style
- Electronics console, custom-molded
- Engine instrument panel, complete custom with audible warning system
- Fire and bilge water level alarms, audible
- Helm and companion chairs, Pompanette, pedestal-mounted, adjustable
- Helm wheel, stainless steel
- Rocket launchers, bridge rail, (5)
- Safety cabinet, first aid kit, fire extinguisher
- Storage, lockers, forward
- Storage, cabinet at helm
- Switch panel, custom, stainless steel

ELECTRONICS

- Garmin Digital Display
- Furuno VX2 Navnet
- Furuno Color Sounder
- Furuno Radar 72 Mile
- Simrad AP26 Auto pilot
- Icom M604 VHF
- Clarion stereo system
- Garmin GPS map 7212 plotter
- ACR spotlight

DECK

- Anchor roller assembly, recessed, custom stainless steel
- Bow chocks, 6" stainless steel
- Bow cleats, 12" stainless steel
- Bow pulpit, integral molded fiberglass
- Custom deck rails, aluminum
- Deck surface, molded-in, non-skid
- Molded fiberglass using polyester resin, biaxial stitched fabric reinforcement and core construction
- Molded-in white gelcoat finish
- Spring line cleats, 10" stainless steel
- Stern cleats, 12" stainless steel
- Stern hawse pipes, stainless steel
- Windlass, heavy-duty, DC electric, remote at bridge and deck switches
- Single spreader riggers

COCKPIT

The 130 square foot cockpit includes a 40 gallon bait tank molded into the transom, fresh and saltwater washdown, and port and starboard cabinets run nearly the length of the cockpit.

- Bait tank, 40-gallons, molded into transom
- Gunwale padding, high-density foam, white vinyl covered
- Courtesy lighting under gunwales and helm deck overhang
- Rod-gaff racks, port and starboard
- Rod holders
- Tackle center, units both port and starboard, fiberglass with polyplastic drawers, lockable molded fiberglass cover
- Transom door with top gate, extreme-duty, polished stainless steel hardware
- Rocket launcher
- Washdowns, fresh-and saltwater
- 2 Fish boxes one with cold plates, port

ENGINE/MECHANICAL

The Engine room is easy to access and maintain. The bilges are finished in white gelcoat with ample space for installation of additional equipment. The systems are meticulously organized, grouping major components, for ease of maintenance.

- Cummins QSC, 540 HP
- Bilge, white gelcoat finished
- Bilge pumps
- Double hose clamps on all hose fittings, stainless steel
- Emergency bilge pump diverter valve on one main engine

- Engine alarm system
- Engine room liner, white gelcoat finished
- Engine room blowers (2), DC
- Fire extinguishing system, automatic
- Freshwater cooling, main engines
- Freshwater hose bib, quick-disconnect
- Fuel filters, with water separators, main engines and generator, large capacity
- Fuel lines, metal braided, fire-retardant
- Fuel tank, fiberglass, fire-retardant vinylester resin
- Holding tank, 16 gal., warning lights, macerator and dockside discharge
- Rudders, bronze, high-strength
- Sea cocks, UL approved for marine application, bronze, fitted on all thru-hulls below waterline
- Steering system, hydraulic
- Stuffing boxes, drip-less lip seal type
- Water heater, 11-gallon, AC, stainless steel
- Water intake scoops, bronze, high-speed, with integral seawater strainers

ELECTRICAL

All wires are neatly bundled and follow perfect parallel lines.

- Westerbeke 7.6kw Generator, 1450 hours
- 50' shore cords (2), 30-amp shore power
- Automatic battery paralleling, backup switch at helm
- Batteries (5), heavy-duty
- Battery on/off switches, vapor-proof
- Bonded electrical system
- Circuit breaker protection throughout
- Battery charger, 70-amp, automatic with thermal cut out
- Distribution panel, custom, AC electrical, with line voltage and load meter, reverse polarity light
- Distribution panel, custom, DC electrical, with battery voltage and load meter
- Horn, dual air trumpet
- Lights, engine room, incandescent, DC, (2)
- Lights, navigation, international, uninstalled for future mounting on arch, hardtop or tower

Exclusions

Owner's personal belongings.
