SPECIFICATIONS

Overview

If you are looking for a Catalina 42 to do some extended cruising, or looking for a comfortable live aboard, Janeway is the boat for you. The interior is open and extremely functional, with modifications for extra storage and long settees to stretch out. And the galley has even been modified to accommodate an upright refrigerator/freezer. The spacious master cabin has drawers and lockers galore, with a private head and separate shower in the bow. Aft, there are two cabins, one currently set up for sleeping and the other for more storage and generator (but there's room for crew to sleep in there). This boat has been lovingly sailed and maintained by her current owners, and is priced to make her next owner very happy indeed.

Basic Information
