SPECIFICATIONS

Overview

A wonderful yacht to sail the Hanse 545 is proven to be also a popular boat to own. Her 3 double cabins make her ideal for a family cruiser and her ease of operation thanks to electric winches, retractable bow thruster and Simrad electronic make her a simple boat to sail and operate short handed. Powered by a Volvo D3-110hp engine as well as a 6kw genset, to run the air conditioning and watermaker when out on anchor. Flush decks, large cockpit, tender garage and spacious interior with excellent headroom all add to her appeal. Cruiser/racer sails for extra performance. Please contact us for further information today - you won't be disappointed.
