ХАРАКТЕРИСТИКИ

Обзор

This cold-molded, beautiful 45' Custom Carolina Sport fish was designed to be the biggest little custom boat on the ocean, and quite the head-turner. Her shallow 3' draft and easy navigation allows the owner to bring her into shallow water, dock her in a tight spot, or spin her on a dime with just the flick of the joystick. This boat is very user-friendly and is a proven fish-raiser outfitted with a SeaKeeper 7 for perfect stability in rough sea conditions, a large well-designed cockpit set-up complete with a mezzanine, large helm platform with great visibility, and includes a beautiful interior, all designed to travel in comfort and style. **Extended warranty to 2023 on Cummins QSC, POD drives and gen set!**
