## Overview

---

**"Wet Wings" is the last of the beloved Gemini 105MC's to be built in the Annapolis, MD, factory.** Her owners purchased her new and have enjoyed her throughout the East Coast and the Bahamas, but they are ready to move on to other adventures. This one is a prime example of a well-maintained Gemimi. There are so many things to love about these boats!

She's equipped for cruising, with:

- **150 Watts of Solar**
- **Propane Refrigeration**
- **Spinnaker/Sock**
- **Only 1186 hours on Westerbeke at time of listing**
- **Autopilot**
- **All original manuals**
- **One-owner since new**
- **Shallow go-anywhere draft**

Boat is cruising right now, but viewings can be arranged. She's currently in South Florida heading to the Bahamas for 2 months, then will be back in FL in Green Cove Springs upon her return.
