Manufacturer Provided Description

Equally adept at fishing and cruising, the R265 is spacious enough to accommodate your entire crew yet comfortable enough to explore distant ports that would be grueling in most fishing boats. The transom seat cushions are removable for fishing and convert to a complete bait prep center. Our 33 gallon insulated livewell and spacious rigging access are cleverly concealed for maximum use of space. On the dash, theres room for a full color chart plotter and radar. The R265 has reserve floatation for added peace of mind and sleeping provisions for two adults.
