DETAILED INFORMATION

Vessel Walkthrough

- Starting at the aft end of the boat you will find a cockpit that is great for either cruising or fishing. There is a custom made bench seat as well that is not shown in the photos.
- This 377 is loaded with fishing gear including dozens of rod holders, rocket launcher on the hard top, outriggers, teaser reels, 1 seven ft. fish box with macerator, 2 live wells and outlets for electric reels.
- Just aft of the helm seat is the generator compartment with 7.3 kW gas powered Kohler.
- To the outboard side of the generator is your fish box and storage locker.
- The trim tab pump, fuel filters, bilge pumps and water pumps are all easily accessible in the other 3 compartments in the cockpit.
- The shore power connection is just under the gunwale on the port side along with the saltwater wash down and cable connection.
- There are JL and JBL speakers throughout with 2 amps powering the system. The stereo equipment is also easily accessible under the forward bench seat on the port side.
- She is also equipped with a Dive door which is located on the starboard side.
- Moving forward to the helm you will find a suite of electronics including a Furuno radar, Garmin 5212 plotter, Simrad AP16 autopilot, Bennett trim tabs, Icom VHF and Mercury engine controls and gauges.
- She is also equipped with a Max Power bow thruster.
- Additional tackle storage is located to starboard as you make your way into the forward seating area.
- There is a large cooler to starboard which seconds as another seating area with a Cruisair cold plate.
- Under the port side bench seat is access to the back side of the helm, AC unit, batteries and stereo equipment.
- Teaser reels are mounted to the under side of the hard top along with spreader lights aft and courtesy lighting.
- All battery switches are located on the starboard side of the helm.
- As you make your way into the cabin of the 377 you will realize just how well she is laid out. There is a large sofa to port and very nice v berth.
- There is no shortage of storage in the cabin. The hanging locker is located to port as you enter the cabin with tons of miscellaneous storage areas throughout.
- On the starboard side is the galley area.
- The galley features a single basin stainless sink, single burner Kenyon cook top, built in Coolmatic fridge, microwave and lots of storage space.
- There is also a Sharp flatscreen mounted to the wall with DVD player and stereo control above.

- The 3 opening hatches lend to lots of natural light in the cabin.
- The head is located to starboard and is completely separate with a huge stand up shower. There is no shortage of storage space if you plan to do any extended cruising.
- The 377 was re-powered in 2008 and has only 600 hours on the 300 HP Verados. All 3 lower units were replaced in 2011.
- The Kohler generator has around 700 hours of use.
- The tower is equipped with an additional Garmin plotter, Simrad autopilot, and Mercury engine gauges.
- A full isinglass enclosure and sun pad cushions for the bow are also included in the sale. Not shown in photos.

Performance

- Cruise around 35 knots at 3800 RPM. Approx. 27 GPH.
- WOT around 50 knots at 5800 RPM.

Exclusions

Owner's personal belongings.
