SPECIFICATIONS

Overview

Here is a unique opportunity to own a 46 Prestige Flybridge in outstanding mechanical and cosmetic condition for a fraction of the cost of a new one. This 3 Stateroom, 2 Head vessel needs nothing and has had many recent upgrades including a **new 9' Inflatable with aluminum bottom and 6 HP**. The quality of craftsmanship is evident everywhere you look on this vessel from the quality interior to the spacious flybridge. **She is powered by the sought after Cummins QSC 8.3 Common Rail Engines that were just serviced**. She is easy to handle with a bow thruster and has just had a **fresh full detail**. Call for your easy showing today. You will not be disappointed.

Walk Through

As you enter the cockpit through the port transom door, you immediately indulged by the large teak decked cockpit area. With a molded seat along the transom to the wide steps to the flybridge. The wide side decks are easy to access and the high stainless steel stations offer complete safety. Under the cockpit is a large lazarette with an entry into the engine room. From the cockpit area and along the transom is the very large storage area. The entry door is along the starboard side of the cockpit and the area has a single berth, toilet and vanity area with mirror.

Through the sliding stainless steel door you enter the main salon. You will be impressed by the fit and finish of the high gloss cherry cabinetry and the stunning matching fabrics. Immediately to port is the entertainment center and love seat sized settee. To starboard is a C shaped settee with a beautiful matching cherry adjustable high-low table. Further forward and to port is the step down galley. The U shaped galley is tucked neatly along the port side and offers easy access to salon guests. Under floor galley storage offers additional storage space. A separate electric room is under the cabin sole just amidships of the galley. The area has well marked electrical connections and access to the water heater. Further forward and to port is the elevated dinette which offers a panoramic view of the exterior for an excellent dining experience. Directly to starboard is the lower helm. The helm offers a double helm seat so your companion can sit next you while guests find comfort seating at the elevated dinette. Down a few steps and to starboard is the VIP stateroom which offers a Queen berth, hanging locker, ample storage and direct access to the guest/day head. To port is the guest stateroom which has twin berths which can be converted to a Queen sized berth

by use of the center insert. The guest area has a hanging locker and ample storage. Further forward and to port is the guest/day head with large vanity, toilet, and separate shower stall with a rounded sliding shower door. All the way forward is the master stateroom with a centerline queen berth. The master is complete with multiple storage areas, hanging lockers, and a port side private head area with separate shower stall with a rounded sliding shower door.
