Overview

2017 Hatteras GT70 KALLIANASSA is a former Hatterascal - the Hatteras Factory showboat. The current owner has meticulously kept her in mint condition with a high level of attention to detail. She has superb performance with twin MTU 16B-2000 at 2600 HP! She is new to the market with the highest end finish out of any sport fish on the water! This 2017 GT 70 is engineered to excel under tough conditions, while offering a host of features and amenities that define the premium sportfish category. It is built on a variable deadrise bottom with a sharp entry and powered by twin MTUs. Inside, you'll find a lavish interior, from the gourmet galley and spacious salon to the five-stateroom, four-head accommodations. In taking cues from the celebrated Hatteras style and legendary performance, the GT 70 offers the ultimate tournament sport fishing platform.

DETAILED INFORMATION

Description

MYTHENDRIL is a former Hatterascal - the Hatteras Factory showboat. The current owner has meticulously kept her in mint condition with a high level of attention to detail. She has superb performance with twin MTU 16B-2000 at 2600 HP! She is new to the market with the highest end finish out of any sport fish on the water! Experience the perfect balance of speed, performance and customization of the spacious GT70 Convertible. It's the new take on the already legendary Hatteras tournament yacht that's been powering through the most demanding conditions for decades. The GT70 offers a cruise range between mid-30s and 40+ knots and modified-V hull for stable speed that cuts through any wave.

Warranty Information

This Hatteras GT70-403 is covered by extended warranty. The terms are 36 months or 4700 total operating hours, the original start date of the MTU warranty was 9/8/2016 and the end date including the extended warranty is 9/7/2021.

Exterior Finish & Construction

• **UPGRADE:** Light Colored Hull Paint • **UPGRADE:** Teak Coaming Boards • **UPGRADE:** Teak Cockpit Sole • **UPGRADE:** Teak Covering Boards • **UPGRADE:** Teak Flybridge Accent Strip • **UPGRADE:** Teak Helm Pod, High Gloss Finish • **UPGRADE:** Teak Mezzanine Deck • **UPGRADE:** Teak Salon Entry Door • Isophthalic/NPG gel coat, exterior layer • Hull and superstructure painted with a premium linear polyester/polyurethane coating for improved cosmetics and increased durability • Polymer/copper based anti-fouling bottom paint • Boot stripe, linear polyester/urethane coating • Decks, non-skid surface, polyurethane paint with polymeric beads • Resin-infused solid fiberglass hull bottom and composite hull sides with premium vinyl ester resin and blister resistant gel coat below the waterline • Molded fiberglass longitudinal stringers with steel engine beds • Resin-infused bulkheads and interior decks using cross-linked foam core

Hardware and Miscellaneous

• Hand crafted high gloss teak interior • All interior hardware in chrome • Bow deck anchor locker • Anchor with 25' chain, 300' anchor line • Four polished stainless steel spring cleats with chafing strips, throughbolted, robust aluminum backing plates • Two polished stainless steel bow cleats and chocks with chafing strips, through bolts, (2)

stern cleats and hawse pipes, through bolted aluminum backing plates • Polished, anodized aluminum bow, flybridge rail and bridge ladder • Deck plates for fuel, water fill and waste pump out • Stainless steel rudders • Fog bell • Dual air horn • Transom zinc • Manganese bronze rudder bearings with dripless seals • Manganese bronze engine couplings • Alloy 22 high-strength propeller shafts tapered with round keys for reduced stress concentrations at propeller and coupling ends • Dripless shaft seals with spare seals • Manganese bronze struts • Nibral high performance propellers • Reboarding steps to cockpit • Stainless steel trim tabs • Air conditioning, 64,000 BTU capacity, with reverse cycle heating • Ventilation fans for electronics in attic space

Engine Compartment & Bilge

• **UPGRADE:** Twin MTU 16V-2000 2,600 BHP Diesel Engines • Painted engine room and bilges • Stainless grab rail • Rubber deck mat between engines • Insulation in engine room ceiling, for noise mitigation in salon • AC fluorescent lights • DC LED lights • DC bilge blowers • Twin diesel, freshwater-cooled main engines with electrically controlled marine gears, neutral interlocks, exhaust silencers, engine hour meters, alternators, fuel filters and seawater strainers • Fiberglass fuel tank constructed with fire retardant resin and bronze fittings • USCG type A1 U.L. Marine-listed fuel lines • Electric fuel priming pumps, engines • U.L. Marine-listed duplex fuel filters/water separators, engines and generators • Fiberglass water tank • Polyethylene water lines • Pressurized freshwater pump • Water manifold with centralized shut-off valve for sinks and showers • 40-gallon water heater • Polyethylene sewage holding tank with 24-volt DC sewage pump, plumbed for dockside pump-out with 3/4 full display and alarm as part of systems monitor programmable logic controller • Sealed shower sumps • 24-volt DC bilge and sump pumps: three (3) at 3,700 gph, one (1) at 500 gph, with heavy duty float switches and protective guards • Auxiliary emergency bilge pump, 150 gpm in lazarette • Bronze chrome plated ball valves through bolted in solid fiberglass on all underwater through hull fittings with electrical bonding throughout • Individual pickup sea chests for each engine and gensets, high speed sea chest for water makers, air conditioners and raw water pumps • Centralized drain line with single thru-hull • Painted pultruded fiberglass rudder shelf bolted to steel plates in the stringers • 1" stainless steel steering tie bar with pivoting self aligning ball joint connection at all cylinder and tie bar connections • Patented differential steering system for improved control in high speed turns (Patent #7895959B1) • Shore water connection with pressure-reducing valve • 220-volt AC air compressor with regulator • Oil change system for engines and generators • FM200 fire extinguishing system for engine compartment with automatic and remote manual controls, audible and visual discharge signals • DC voltmeter in battery panel • Engine start/stop switches with hour meter

Electrical Systems

• **UPGRADE:** Electric Bow Thruster • **UPGRADE:** Optional 860 Gallon Forward Fuel

Tank • 24-volt banks of heavy-duty, 12-volt marine batteries mounted in fire retardant fiberglass boxes (2) • Tin coated wiring with insulation, labeled and color coded • Automatic battery charger, 50/60Hz • Automatic battery paralleling system with switch at helm • Battery control panel with fuses and isolation switches • AC and DC distribution panels with magnetic circuit breakers • AC switching panel with source selector switches, volt meter, ammeter, frequency meter, distribution panel selector switches • 240-volt retractable shore cords with over-current protection (1 - 50 amp and 1 - 100 amp) • Shoreline polarization transformers with boost function (2) • Ground fault protection on AC receptacles and AC lighting circuits • USCG International navigation lights • Omni-directional TV antenna

Fly Bridge

• **UPGRADE:** Air Conditioning • **UPGRADE:** Freshwater Connection for Tower Washdown • Systems monitor with programmable logic controller read-out, visual and audible signals for exhaust temperature, alternator, battery voltage, high bilge water, fire warning in engine compartment, fire extinguisher discharge in engine room, AC power loss, smoke and carbon monoxide detectors, and holding tank 3/4 full monitor • Icom VHF radio, digital depth and temp • Two bench seats with reversible riding seat backs • Control station with all necessary switches • Compass with dimmable light • Palm Beach style helm with single lever electric controls and steering wheel • Hydraulic power-assisted steering • Three helm chairs • Freshwater outlet • DC AM/FM stereo receiver with USB dock and speakers • Neutral interlock switches allowing engine to start in neutral only • Fuel gauge • Rod storage under port and starboard benches • Top-loading freezer • Additional storage areas beneath seats and console

Cockpit

• **UPGRADE:** 12V Electric Reel Outlets in Cockpit (2) • **UPGRADE:** Air Conditioning • **UPGRADE:** Eskimo Ice Machine • 200 square feet including mezzanine with seating and cushions • Automatic sliding door to salon • Hatch to engine room • Lazzarette access hatch • Transom door with lift up coaming gate • Bait and tackle center with drawers and cutting board • Insulated storage tub • Refrigerated drink box in top step of mezzanine • Cockpit freezer in mezzanine • Insulated starboard mezzanine box • Insulated bait box with rack system • Fiberglass step box with storage • DC LED tri-color overhead lights under flybridge overhang • Cockpit scuppers • Cockpit hatches with gutter drains • Aluminum mounting plate for installation of fighting chair • Stainless-steel rod holders (4) • Two fish boxes with macerator • Molded-in transom livewell • Freshwater wash down outlet • Saltwater washdown with on-deck livewell connection • Stereo speakers with remote keypad for control • Tri-color combing lights

GALLEY / DINETTE

- Durable, engineered wood flooring
- Fabric headliner installed on track system
- Dinette seating with storage underneath and wood table with stainless steel pedestal
- Bar stools (2)
- Granite countertops and wood cabinetry
- Wood inserts to match interior finish on appliance fascia
- Under counter refrigerator and freezer drawer units (2 Refrigerators, 1 Fridge/Freezer)
- Microwave/convection oven covered by cabinet door
- Four-burner ceramic cook top
- Garbage disposal
- AC duplex outlet(s) with ground fault protection
- DC LED dimmable lighting

Salon

- Carpeting
- Salon aft entry durable, engineered wood flooring
- Fabric headliner with wood accents installed on track system
- 40" class TV
- Entertainment system with Blu-Ray™ player
- Polished stainless steel threshold at salon door
- Fixed frameless windows with tinted safety glass
- DC LED dimmable lighting
- Icemaker
- Sofa with rod storage and throw pillows
- Smoke and carbon monoxide detector
- HVAC controls

Companionway

- Carpeting
- Fabric headliner installed on track system
- Cedar-lined port companionway locker
- Fabric covered hull sides and bulkheads installed on track
- Lighted stairway to salon
- DC LED lighting
- Lighted port and starboard attic space with access to electric panels and water tank gauge
- Access hatches to all bilges
- Wainscoting
- Washer/dryer closet
- Flush panel doors, with stops, to staterooms and heads
- Central vac system

Master Stateroom

- Carpeting
- Fabric headliner on track system
- Fabric covered bulkheads installed on track system
- King-sized berth with upholstered headboard and cedar-lined storage underneath
- Upholstered berth base
- HMC mattress, bunk cover, pillows, shams and linens
- Cedar-lined closet with automatic light
- Nightstands
- Full-length mirror
- Private head access
- AC duplex outlets with ground fault protection
- DC LED dimmable lighting
- DC low-voltage lights under berth
- 40" class LED TV
- Entertainment system with Blu-Ray™ player
- Wainscoting
- HVAC control
- Smoke and carbon monoxide detector

Master Head

- **UPGRADE:** Plexi Mirrored Ceiling
- Durable, engineered wood flooring
- Hardwood

baseboards • Fabric headliner installed on track system • Fabric covered hull sides and bulkheads installed on track system • Granite countertops, backsplash and sink • Storage cabinet with mirror above sink • Base cabinet to match interior finish with storage • Cabinet with finished soffit • Shower with door and automatic sump pump • Freshwater toilet • Towel bar, towel ring, tissue holder and robe hook • Recirculating fan • AC duplex outlets with ground fault protection • DC LED lighting • Holding tank 3/4 full indicator light

Bow Stateroom

• Carpeting • Fabric headliner installed on track system • Fabric covered hull sides and bulkheads installed on track system • Queen-sized tapered berth with upholstered headboard and cedar-lined storage underneath • Upholstered berth base • HMC mattress, bunk cover, pillows, shams and linens • Port and starboard locker storage • Cedar-lined hanging/storage lockers with automatic light • Nightstands • 32" class LED TV • DC AM/FM Stereo with DVD player, USB port and speakers • Full-length mirror • Private head access • Screened overhead hatch with privacy cover • AC duplex outlets • DC LED lighting • HVAC control • Smoke and carbon monoxide detector

Port Aft Stateroom

• Carpeting • Fabric headliner installed on track system • Fabric-covered hull sides and bulkheads installed on track system • Lower berth with upper pullman berth • HMC mattress, bunk cover, pillows, shams and linens • Cedar-lined closet and automatic light • 24" class LED TV • DC AM/FM stereo with DVD player, USB port and speakers • Full-length mirror • AC duplex outlets with ground fault protection • DC LED lighting • HVAC control • Smoke and carbon monoxide detector

Port Forward Stateroom

• Carpeting • Fabric headliner installed on track system • Fabric-covered hull sides and bulkheads installed on track system • Lower berth with upper pullman berth • HMC mattress, bunk cover, pillows, shams and linens • Cedar-lined closet and automatic light • 24" class LED TV • DC AM/FM stereo with DVD player, USB port and speakers • Full-length mirror • AC duplex outlets • DC LED lighting • HVAC control • Smoke and carbon monoxide detector

Port And Bow Heads

• **UPGRADE:** Plexi Mirrored Ceiling • Durable, engineered wood flooring • Hardwood baseboards • Fabric headliner installed on track system • Fabric covered hull sides and

bulkheads installed on track system • Solid-surface countertop, backsplash and sink • Storage cabinet with mirror above sink • Base cabinet to match interior finish with storage • Cabinet with finished soffit • Shower with door and automatic sump pump • Freshwater toilet • Towel bar, towel ring, tissue holder and robe hook • Recirculating fan • AC duplex outlets with ground fault protection • DC LED lighting • Holding tank 3/4 full indicator light

Crew Stateroom

• **UPGRADE:** 20" Class LED TV with DVD/Stereo • Carpeting • Fabric headliner installed on track system • Fabric-covered hull sides and bulkheads installed on track system • Two berths, one upper and one lower • HMC mattress, bunk cover, pillows, shams and linens • Cedar-lined closet with automatic light • Nightstand • Full-length mirror • Private head access • Engine room access • AC duplex outlets with ground fault protection • DC LED lighting • Smoke and carbon monoxide detector

Crew Head

• Durable, engineered wood flooring • Hardwood baseboards • Fabric headliner installed on track system • Fabric-covered hull sides and bulkheads installed on track system • Solid surface countertop, backsplash with sink • Base cabinet to match interior finish with storage • Shower with door and automatic sump pump • Freshwater toilet • Towel bar, towel ring, tissue holder and robe hook • Recirculating fan • AC duplex outlets with ground fault protection • DC LED lighting • Holding tank 3/4 full indicator light
